(57) **CLAIM**

The ornamental design for a tool handle, as shown and
described.

DESCRIPTION

FIG. 1 is a perspective view of my tool handle;
FIG. 2 is a side view thereof;
FIG. 3 is another side view thereof, opposite the side view
shown in FIG. 2;
FIG. 4 is a front view thereof;
FIG. 5 is a back view thereof;
FIG. 6 is a bottom view thereof; and,
FIG. 7 is a top view thereof.

The dashed lines outside of the claimed tool handle repre-
sent environmental structure that forms no part of the
claimed design; specifically, some such dashed lines show
aspects of an example tool (a ratchet) with which the
claimed tool handle may be used. Other dashed lines show
that while a logo may (but need not) be used with the
claimed design, no particular logo is claimed.
