**DESCRIPTION**

FIG. 1 is a front view of a display screen of a computing device with graphical user interface of a computer-generated electronic summary or receipt, under a first embodiment.

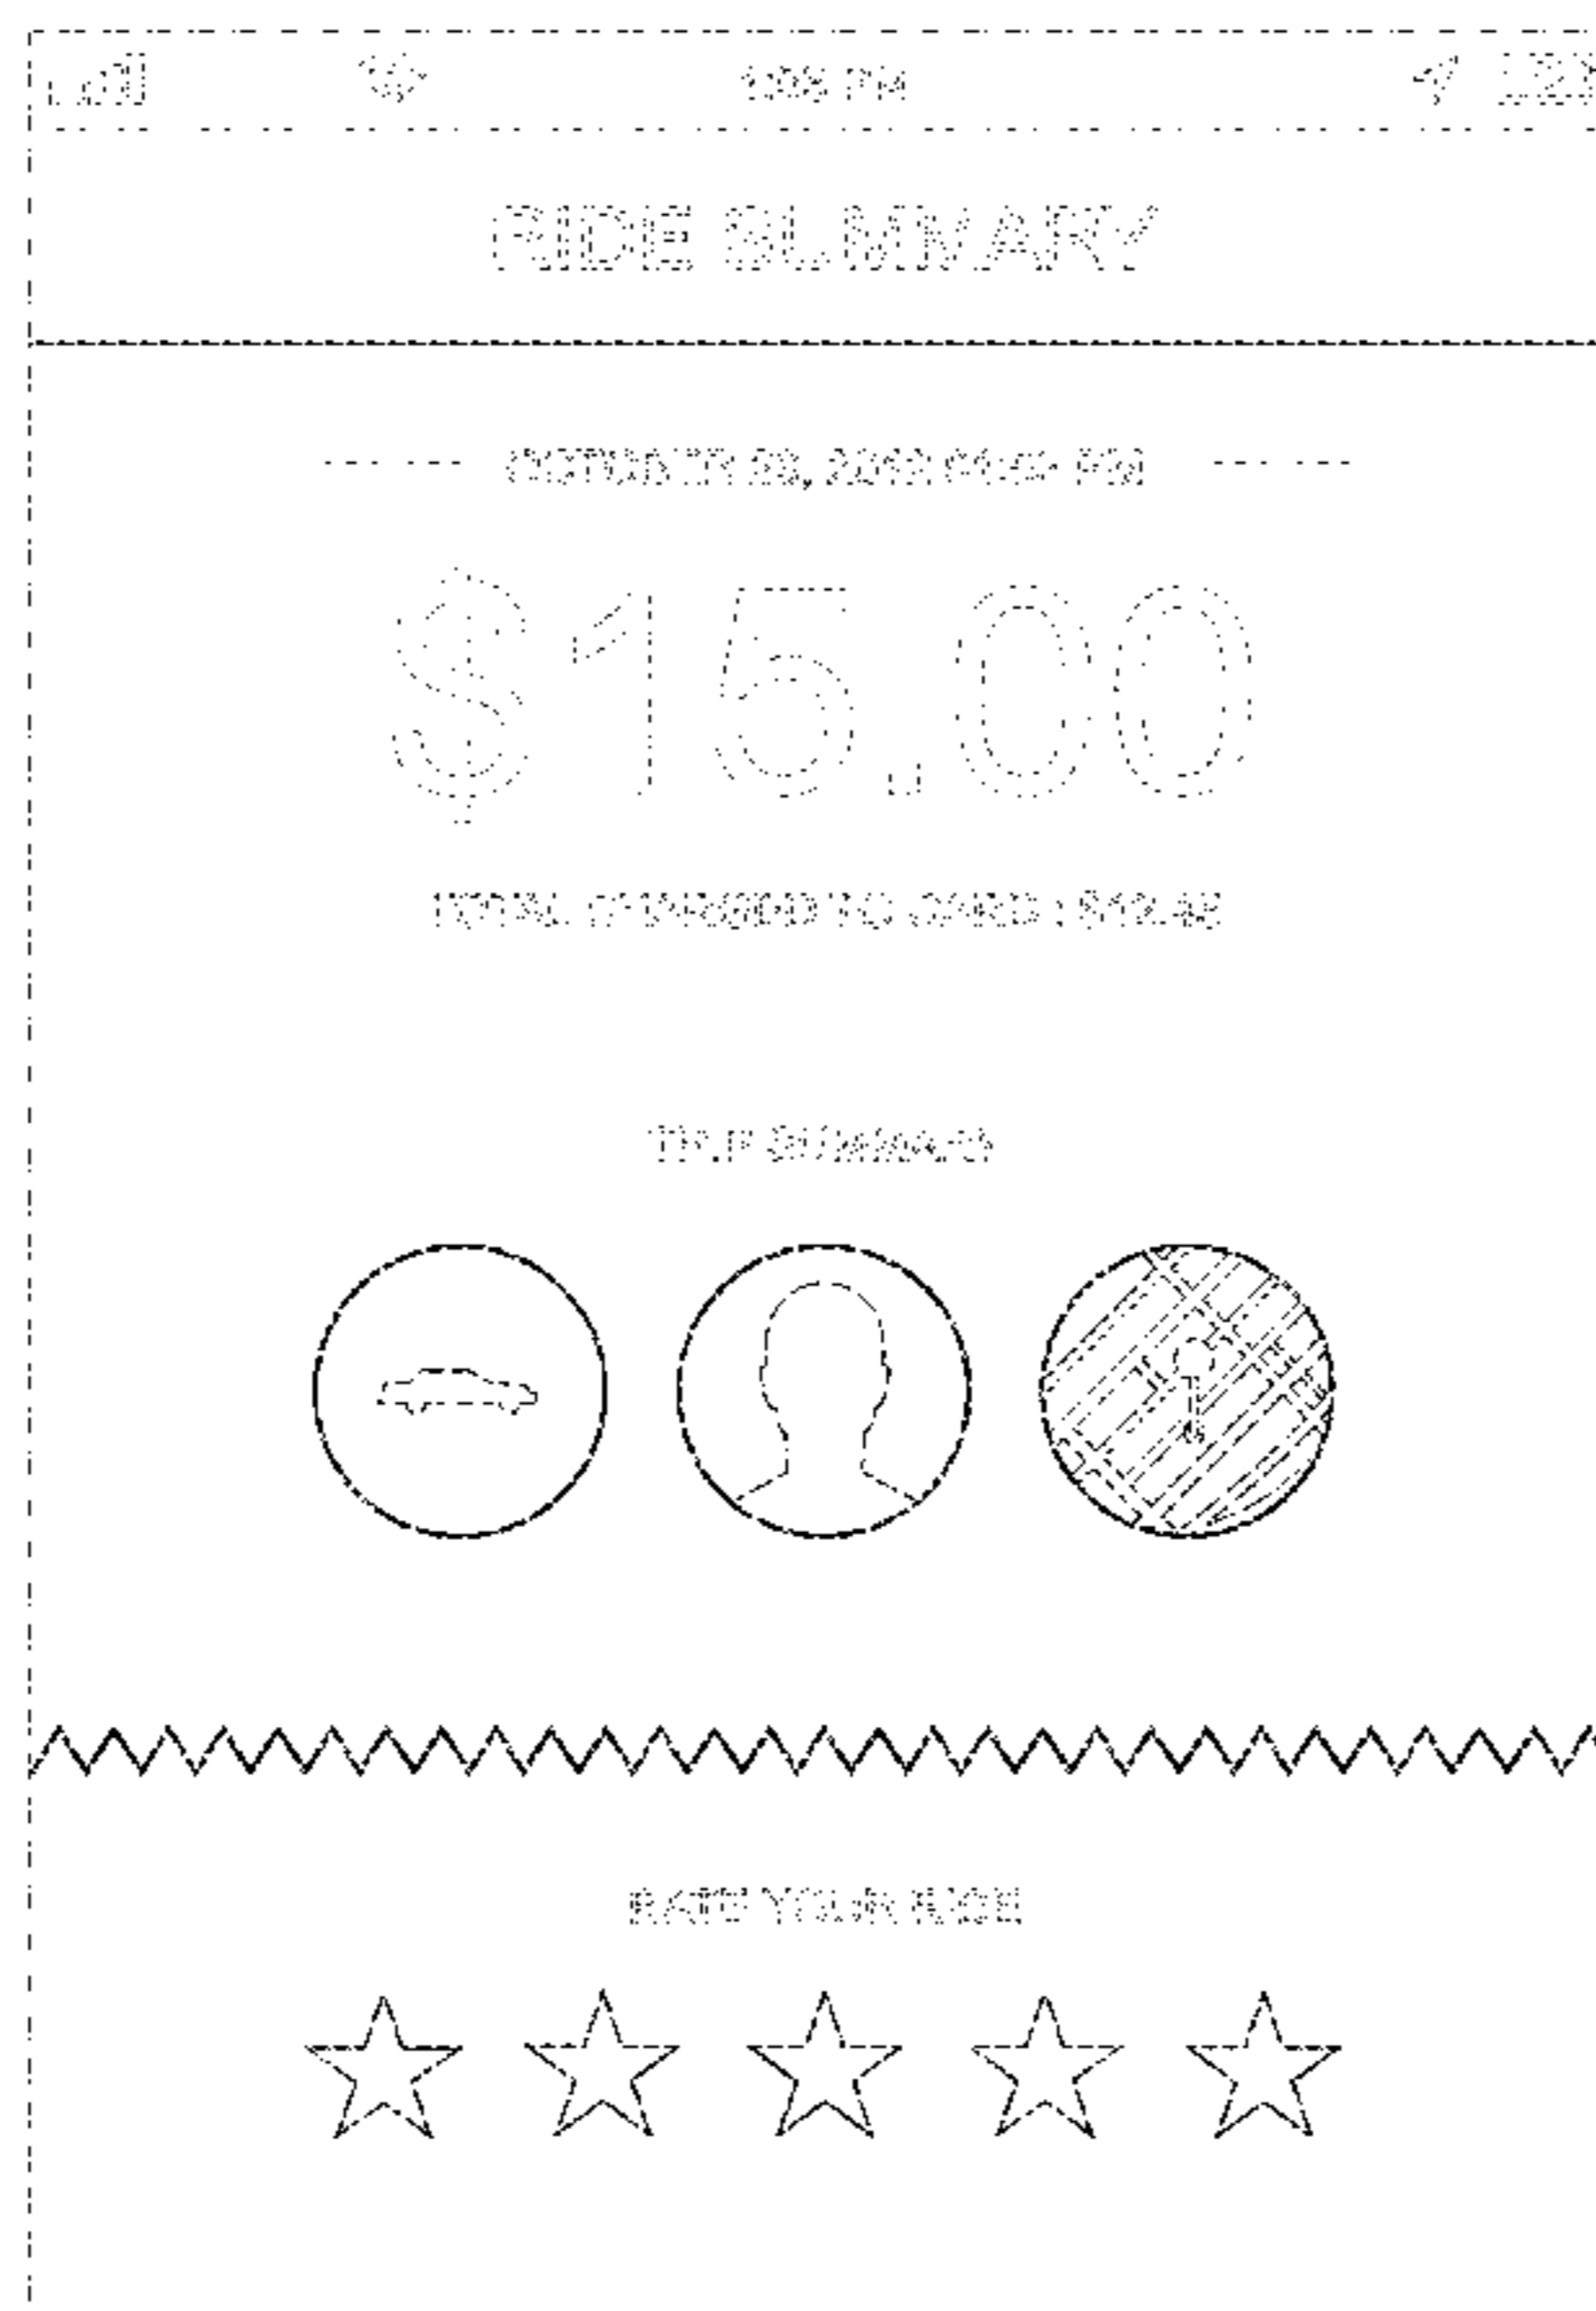

FIG. 2 is a front view of a display screen of a computing device with graphical user interface of a computer-generated electronic summary or receipt, under a second embodiment.

FIG. 3 is a front view of a display screen of a computing device with graphical user interface of a computer-generated electronic summary or receipt, under a third embodiment; and,

FIG. 4 is a front view of a display screen of a computing device with graphical user interface of a computer-generated electronic summary or receipt, under a fourth embodiment.

The broken lines shown in the drawings are for the purpose of illustrating a display screen of a computing device, text, and other images, and form no part of the claimed design.
