(57) **CLAIM**

The ornamental design for a grip wrap, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyright rights whatsoever.

FIG. 1 is a front elevational view of the new design for the grip wrap;
FIG. 2 is an enlarged view of the section indicated in FIG. 1; and,
FIG. 3 is a perspective view showing the grip wrap when wrapped around a sports grip of a sports implement.
The portions of the article and the environmental structure shown by broken lines in the drawings form no part of the claimed design.
