FIG. 10 is another enlarged view thereof.

However, Applicants reserve the right to claim any combination or subset of subject matter, whether shown in broken lines or solid lines, in this application or in one or more divisional applications thereof.

In FIGS. 3, 4, 8 and 9 the two types of shading indicates a contrast in appearances. Throughout the Figures the broken line perimeter showing the mobile device and display screen are provided for the purpose of illustrating portions of the article and forms no part of the claimed design. The broken lines within the display screen showing portions of the graphical user interface, including the broken line text and label "A" forms no part of the claimed design.
