(57) **CLAIM**

The ornamental design for a hand protector for firearm, as shown and described herein.

DESCRIPTION

FIG. 1 is a right side elevational view of one embodiment of a hand protector for firearm of my new design, that portion shown in phantom not being part of the design sought to be patented and being provided for environmental purposes only.

FIG. 2 is a top front left perspective view of the hand protector for firearm of my new design illustrated in FIG. 1. FIG. 3 is a back elevational view of the hand protector for firearm of my new design illustrated in FIG. 1.

FIG. 4 is a front elevational view of the hand protector for firearm of my new design illustrated in FIG. 1.

FIG. 5 is a right side elevational view of the hand protector for firearm of my new design illustrated in FIG. 1. The left side elevational view of the hand protector for firearm of my new design illustrated in FIG. 1 is a mirror image of that shown in FIG. 5.

FIG. 6 is a top plan view of the hand protector for firearm of my new design illustrated in FIG. 1; and, FIG. 7 is a bottom plan view of the hand protector for firearm of my new design illustrated in FIG. 1.
