FIG. 1 is a plan view of a footwear tread applied to an unclaimed shoe sole in accordance with the ornamental design;
FIG. 2 is an enlarged perspective view of the footwear tread of the design seen within the dot-dash circle of FIG. 1, but with all of the unclaimed environment removed for clarity of depiction;
FIG. 3 is a top elevational view thereof;
FIG. 4 is a front side elevational view thereof, the rear side being identical thereto; and,
FIG. 5 is a right side elevational view thereof, the left side being identical thereto.
The broken lines depict environmental structure that forms no part of the claimed design. The dot-dash circle seen in the

(Continued)

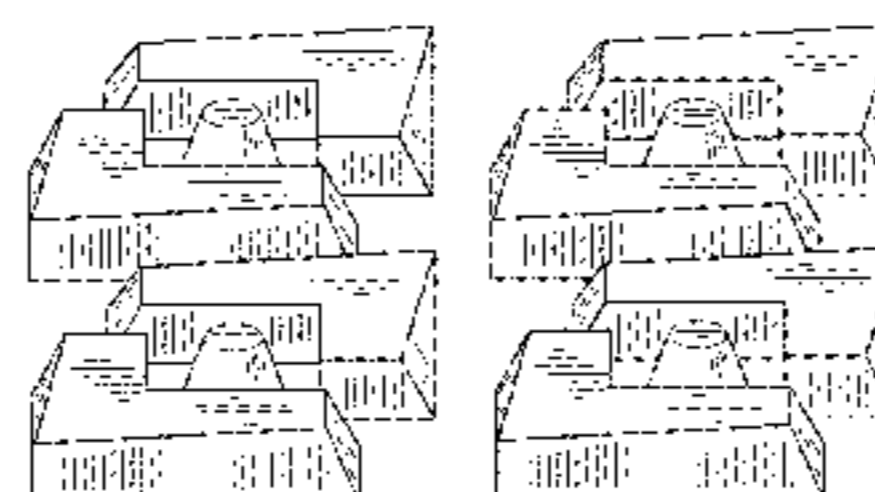

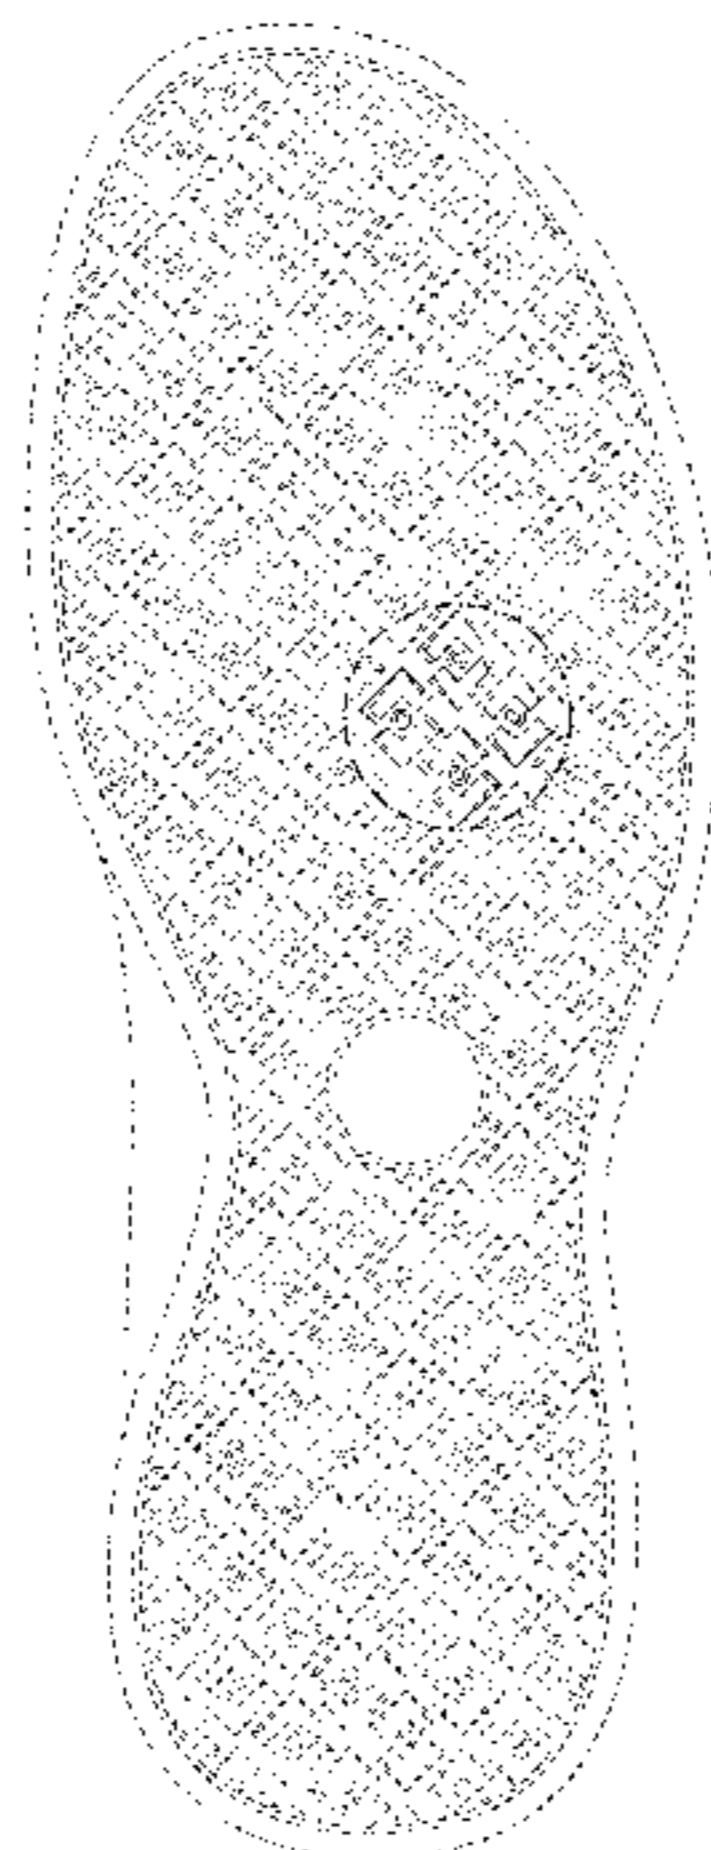

FIG. 1 view depicts the area of enlargement seen in the views of FIGS. 2 through 5, and also forms no part of the claimed design.
