(57) **CLAIM**

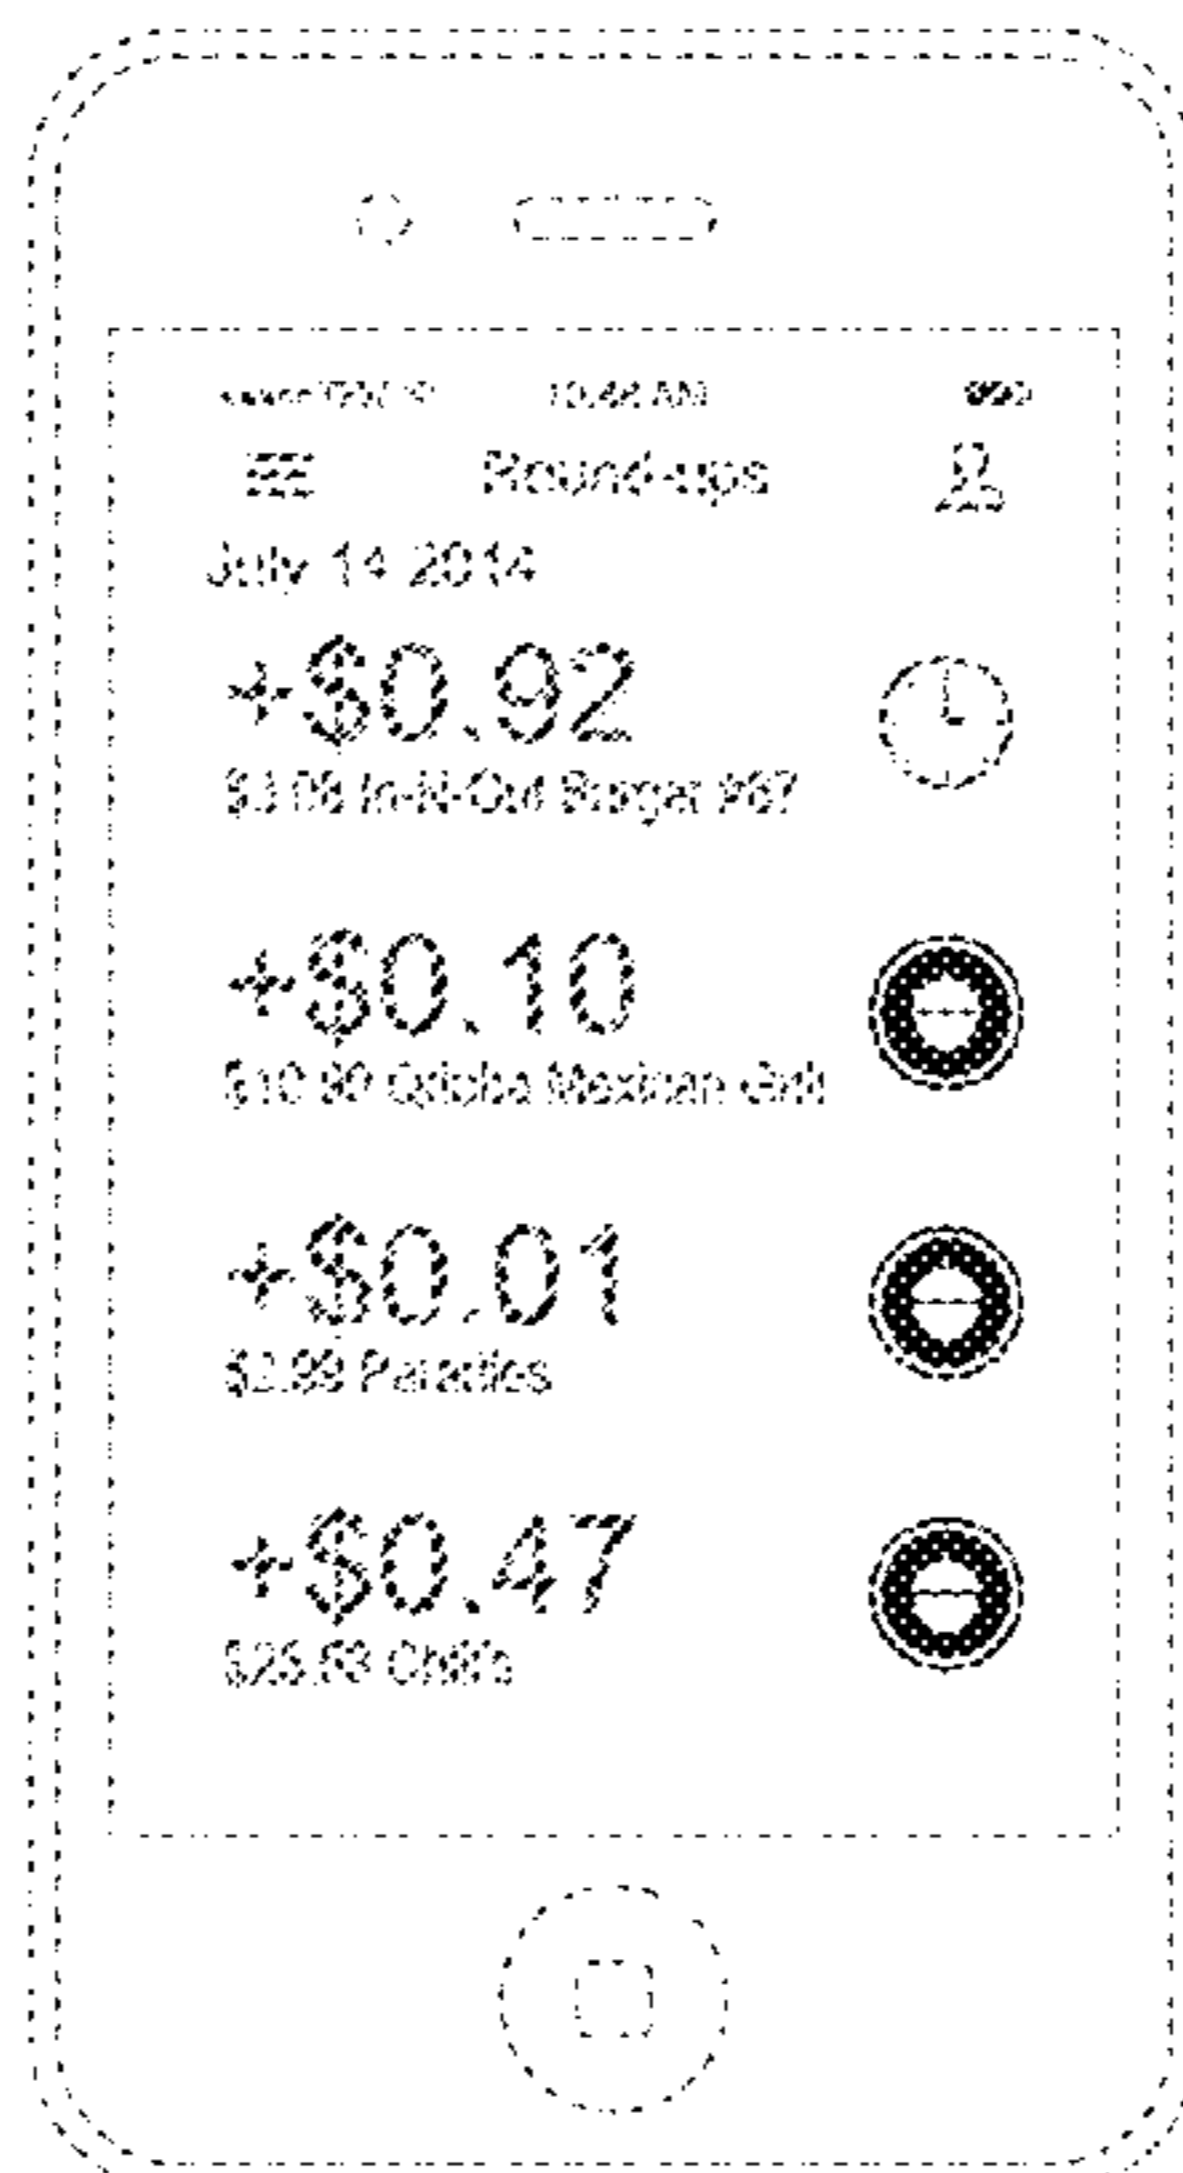

An ornamental design for a mobile device screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a mobile device screen or portion thereof with a graphical user interface showing the new design.

The broken lines showing of the electronic device and display screen are for the purpose of illustrating environment and form no part of the claimed design. The broken lines and slashed lines showing elements on the display screen illustrate portions of the article and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
