(57) **CLAIM**

The ornamental design for a handheld spiralizing device, as shown, and described.

DESCRIPTION

FIG. 1 is a perspective view of the handheld spiralizing device;
 FIG. 2 is a side view of the handheld spiralizing device;
 FIG. 3 is a side view of the handheld spiralizing device;
 FIG. 4 is a top view of the handheld spiralizing device;
 FIG. 5 is a bottom view of the handheld spiralizing device;
 and,
 FIG. 6 is an exploded perspective view of the handheld spiralizing device.

The broken lines depict environment and form no part of the claimed design.
