(57) **CLAIM**

The ornamental design for a “drawstring trash bag,” as shown and described.

DESCRIPTION

This application is a continuation-in-part of U.S. application Ser. No. 13/222,180, filed Aug. 31, 2011, now abandoned, which is also incorporated by reference herein in its entirety. The FIGURE is a front elevation view of the drawstring trash bag showing our new design, the back view being identical.

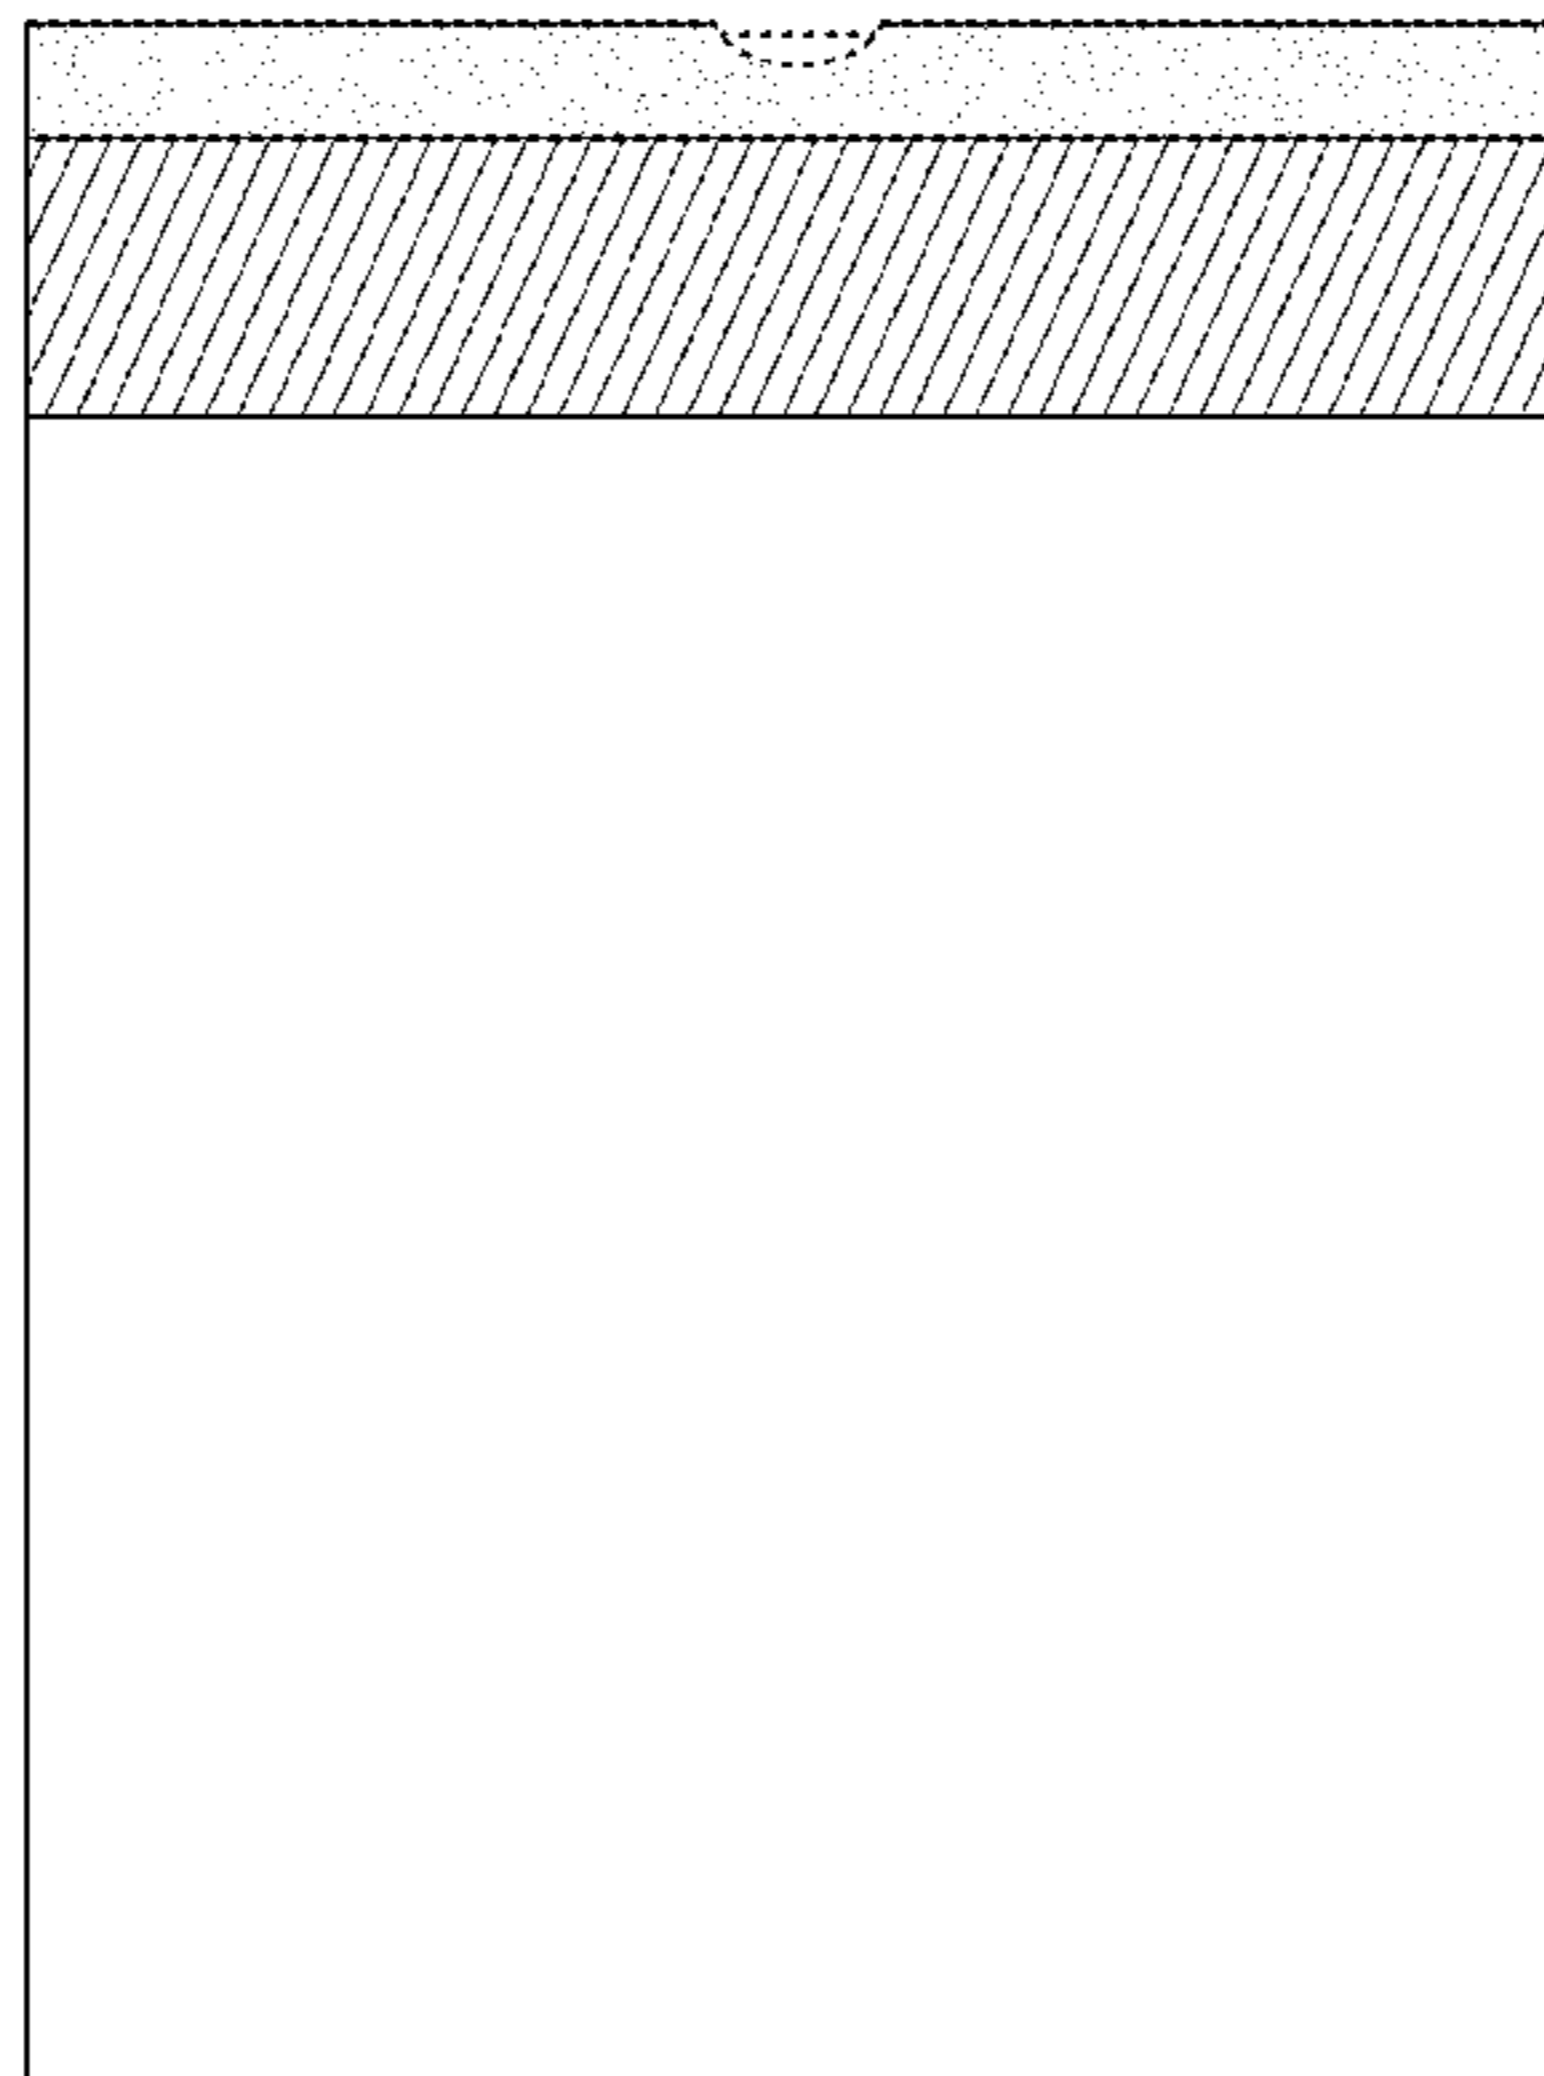

The stippling and line shading shown in the upper sections of the drawstring trash bag in the FIGURE disclose contrasting surfaces.

The broken lines shown form no part of the claimed design. The drawstring trash bag has no appreciable thickness.

1 Claim, 1 Drawing Sheet
