(57) **CLAIM**

The ornamental design for a control module for personal environmental system, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the control module for personal environmental system, showing my design; FIG. 2 is a front elevational view of the control module for personal environmental system of my design; FIG. 3 is a top elevational view of the control module for personal environmental system of my design; FIG. 4 is a bottom elevational view of the control module for personal environmental system of my design; FIG. 5 is a right side elevational view of the control module for personal environmental system of my design; FIG. 6 is a left side elevational view of the control module for personal environmental system of my design; and, FIG. 7 is a back elevational view of the control module for personal environmental system of my design. The broken lines in FIGS. 1-7 are for illustrative purposes and form no part of the claimed design.
