See application file for complete search history.

FIG. 1 is a front view of a portion of a display screen showing a first embodiment of my new design; FIG. 2 is a front view of a portion of a display screen showing a second embodiment of my new design; FIG. 3 is a front view of a display screen or portion thereof showing a third embodiment of my new design; and, FIG. 4 is a front view of a display screen or portion thereof showing a fourth embodiment of my new design.

The peripheral broken lines represent a display screen or portion thereof and form no part of the claimed design. The broken lines within the peripheral broken lines, with the exception of the wavy broken lines, represent portions of the graphical user interface which form no part of the claimed design. The wavy broken lines represent a symbolic break in horizontal dimension and form no part of the claimed design. The appearance of any portion of the graphical user interface between the wavy broken lines forms no part of the claimed design.
