(57) **CLAIM**

The ornamental design for a cellular phone with graphical user interface, as shown and described.

DESCRIPTION

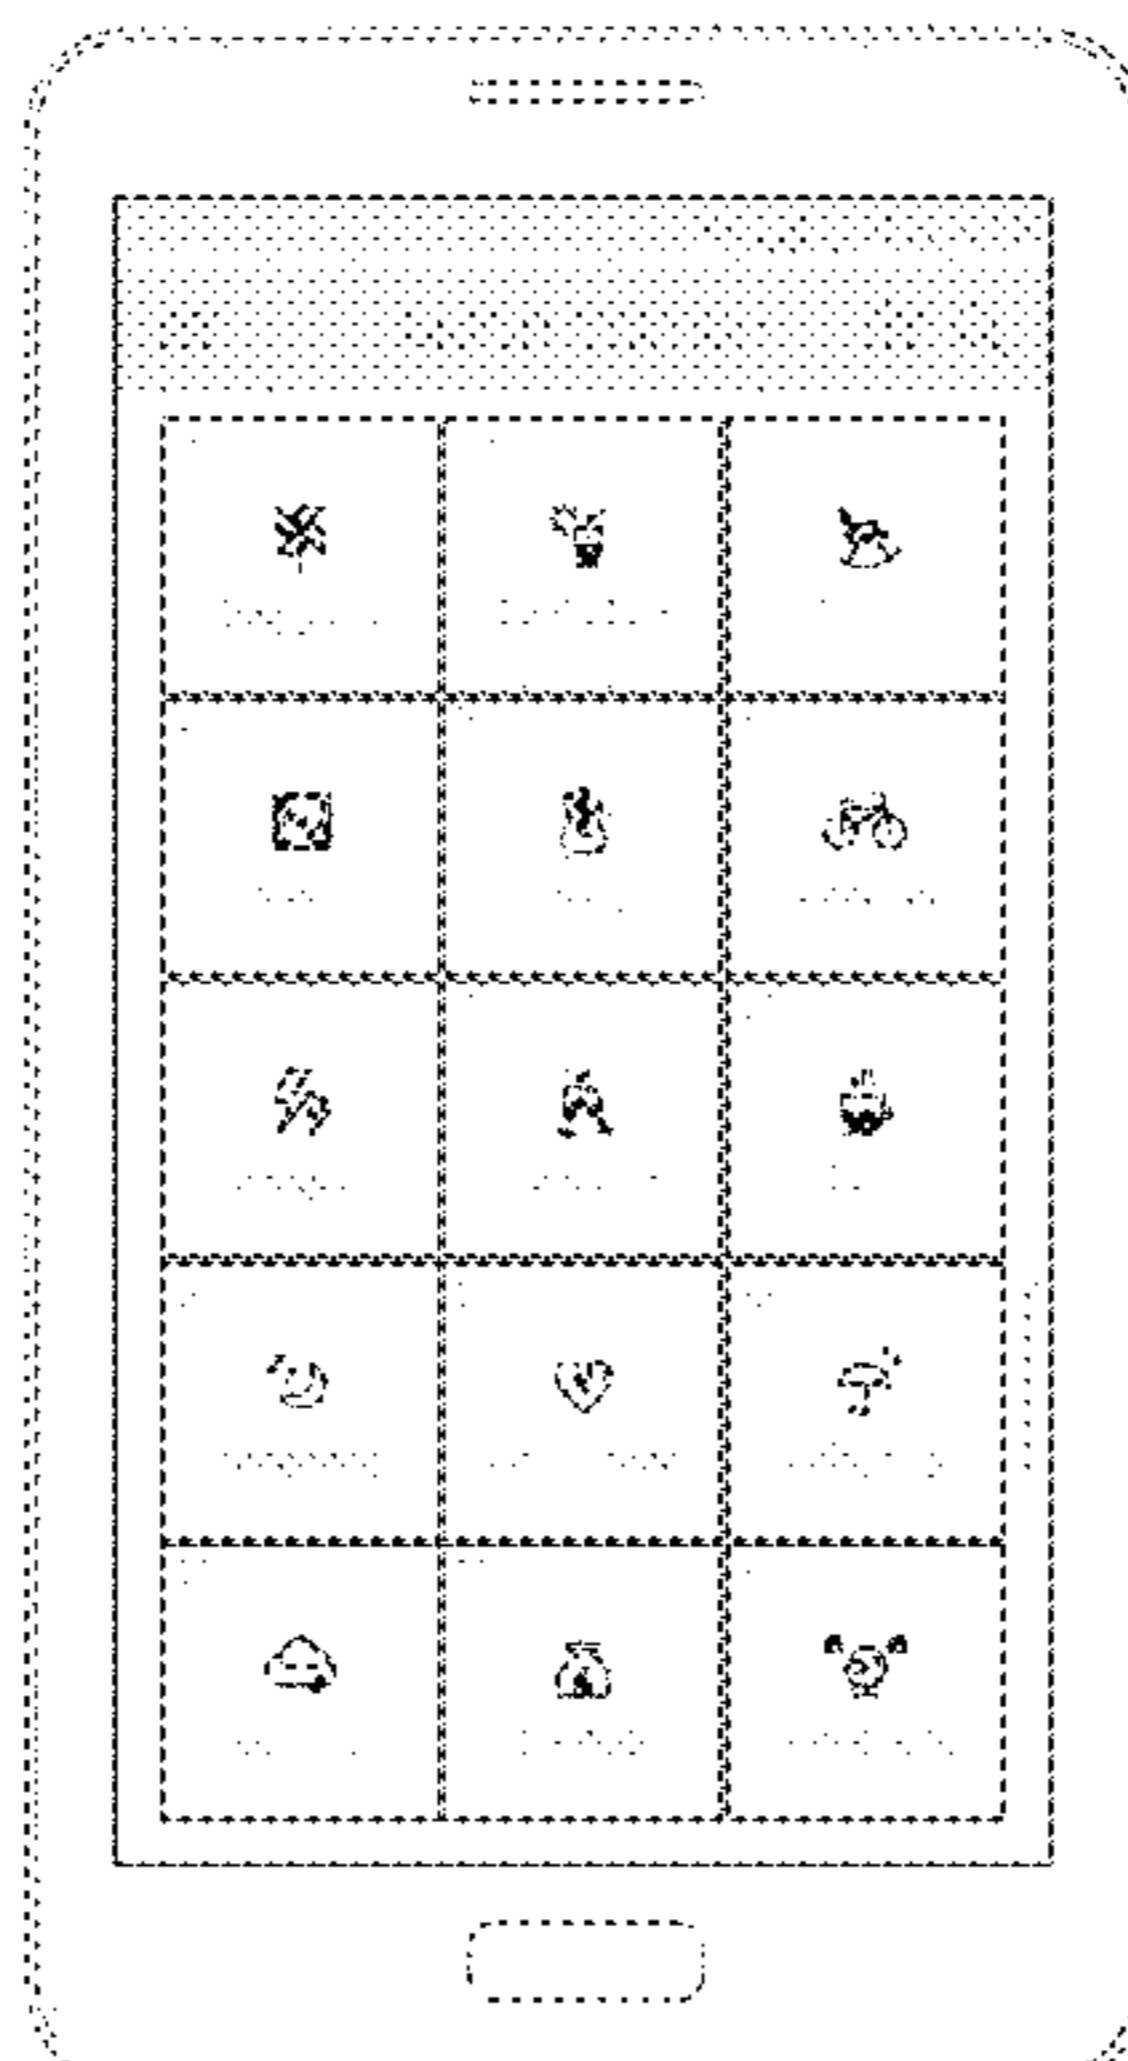

The patent or application file contains at least one color drawing. Copies of this patent or patent application publication with color drawing will be provided by the USPTO upon request and payment of the necessary fee.

FIG. 1 is a front view of a cellular phone with graphical user interface showing our new design in a first embodiment; and,

FIG. 2 is front view of a cellular phone with graphical user interface showing our new design in a second, colored embodiment, with the graphical user interface shown separately from the cellular phone.

The broken line showing of the cellular phone in FIG. 1 forms no part of the claimed design.

1 Claim, 2 Drawing Sheets
(2 of 2 Drawing Sheet(s) Filed in Color)
