(57) **CLAIM**

The ornamental design for a display screen with graphical alarm icon, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a generated image for a display screen with graphical alarm icon, showing our new design; FIG. 2 is a front view of a further embodiment of our design in FIG. 1;

FIG. 3 is a front view of a further embodiment of our design in FIG. 1;

FIG. 4 is a front view of a further embodiment of our design in FIG. 1; and,

FIG. 5 is a front view of the icon of FIG. 1, in which a display screen in broken lines is provided to illustrate an example environment.

The broken lines in FIGS. 1-4 show a display screen or portion thereof and form no part of the claimed design. In FIG. 5, the outermost broken lines illustrate a display screen of a mobile device, which is an example environment of the design, and forms no part of the claimed design. The remaining broken lines illustrate portions of the display screen and portions of the graphical user interface, and form no part of the claimed design. Each icon in FIGS. 1-4 may appear on the display screen shown in FIG. 5.

1 Claim, 3 Drawing Sheets
