(57) **CLAIM**

We claim the ornamental design for a shell deflector for an AR-15-style rifle, as shown and described.

DESCRIPTION

FIG. 1 shows a first perspective view of an embodiment of the invention.

FIG. 2 shows a second perspective view of the embodiment of the invention.

FIG. 3 is a front orthogonal view of the embodiment of the invention.

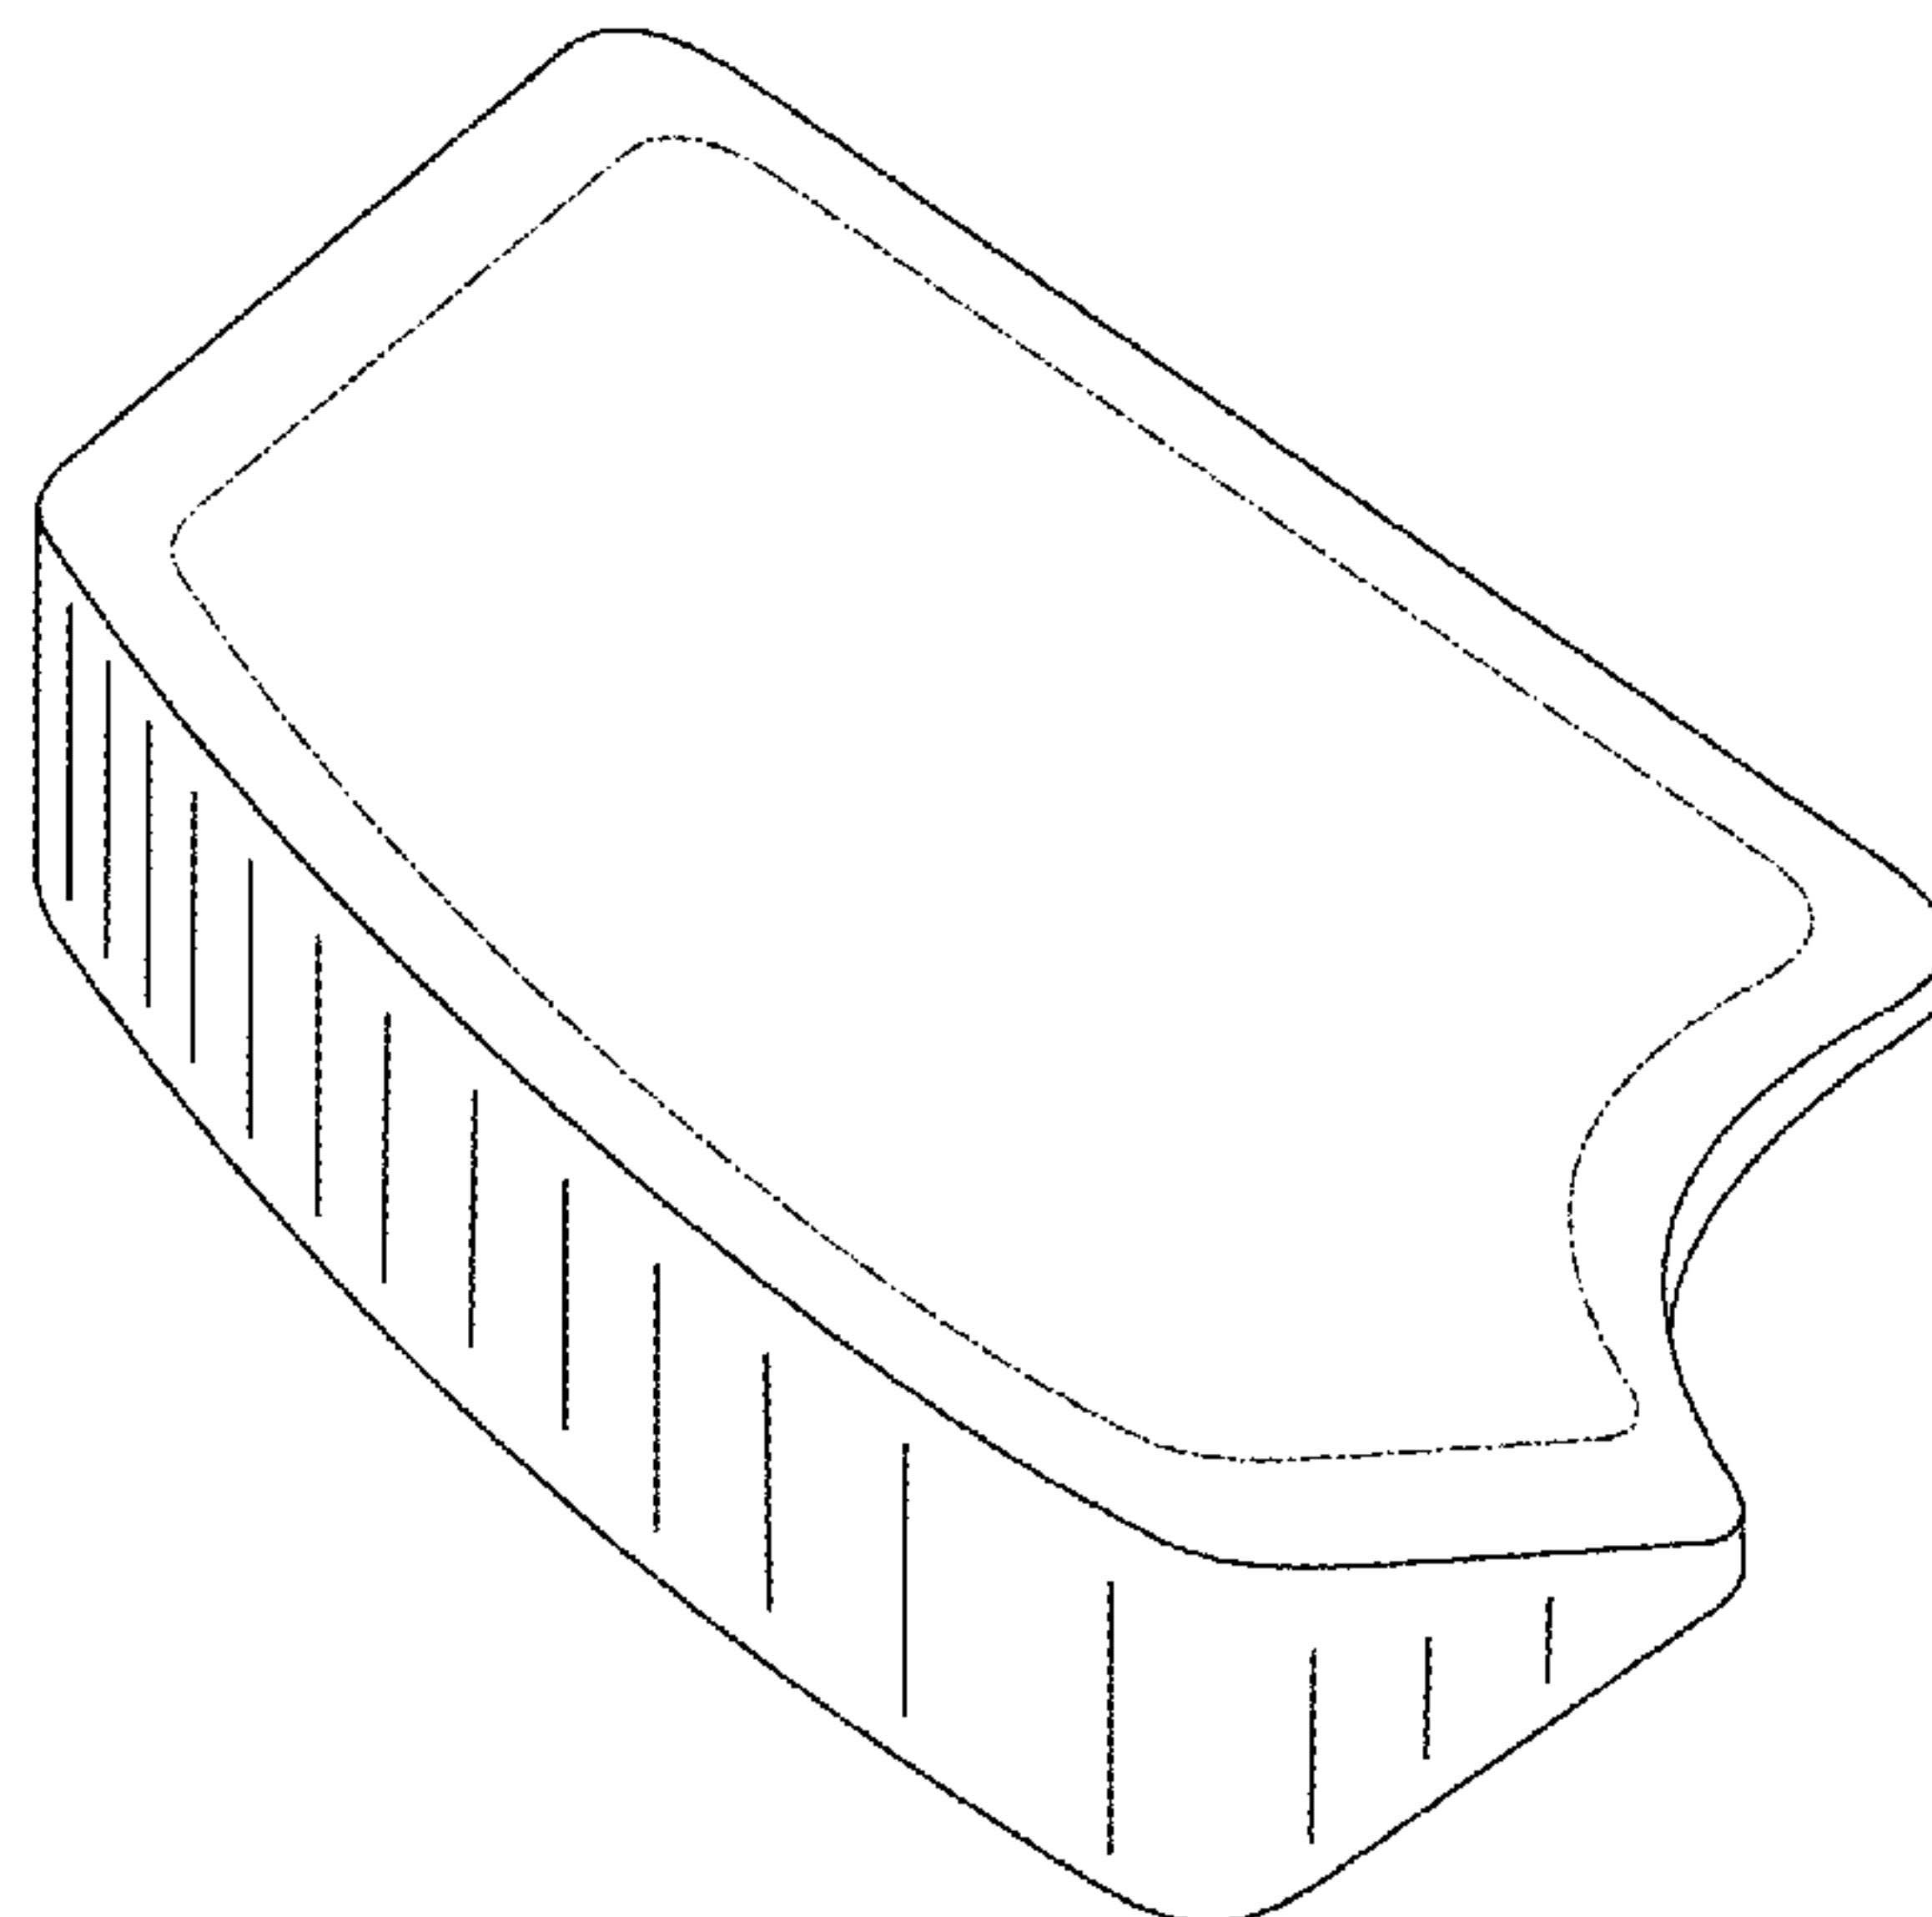

FIG. 4 is an orthogonal side view of the embodiment of the invention, looking up from below FIG. 3; and,

FIG. 5 is an orthogonal side view of the embodiment of the invention, looking left from the right side of FIG. 3.

Unevenly broken lines in FIGS. 1, 2 and 3 show the location of a thin protective film on a curved front surface of the embodiment. The back surface of an embodiment (opposite the front surface) is unadorned. It is not depicted in any of the Figures and is not part of the claimed design.

1 Claim, 2 Drawing Sheets
