(57) **CLAIM**

The ornamental design for a gong-style shooting target, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a gong-style shooting target illustrating our new design;

FIG. 2 is a front elevational view of the gong-style shooting target;

FIG. 3 is a rear elevational view of the gong-style shooting target;

FIG. 4 is a side elevational view of one side of the gong-style shooting target;

FIG. 5 is a side elevational view of the other side of the gong-style shooting target;

FIG. 6 is a top plan view of the gong-style shooting target; and,

FIG. 7 is a bottom plan view of the gong-style shooting target.

The broken lines represent the bounds of the claimed design that form no part of the claimed design.
