(57) **CLAIM**

The ornamental design for a sewer hose support handle, as shown and described.

**DESCRIPTION**

FIG. 1 is a front, top, right side perspective view of a sewer hose support handle showing our new design;  
FIG. 2 is a front elevational view according to the invention; and the rear elevational view being a mirror image thereof;  
FIG. 3 is a top plan view according to the invention; and,  
FIG. 4 is a bottom plan view according to the invention; and,  
FIG. 5 is a left side elevational view according to the invention; and,  
FIG. 6 is a right side elevational view according to the invention; and,  
FIG. 7 is a rear, top left perspective view according to the invention.
