**DESCRIPTION**

(56) **References Cited**

FIG. 1 is a first image in a sequence for a display screen or portion thereof with animated graphical user interface showing our new design; and,

FIG. 2 is a second image in a sequence thereof.

The broken lines showing the display screen or portion thereof and portions of the graphical user interface are included for the purpose of illustrating environmental structure and form no part of the claimed design. The process or period in which one image transitions to another forms no part of the claimed design.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1 and 2.
