(57) **CLAIM**

The ornamental design for a nasal dilator, as shown and described.

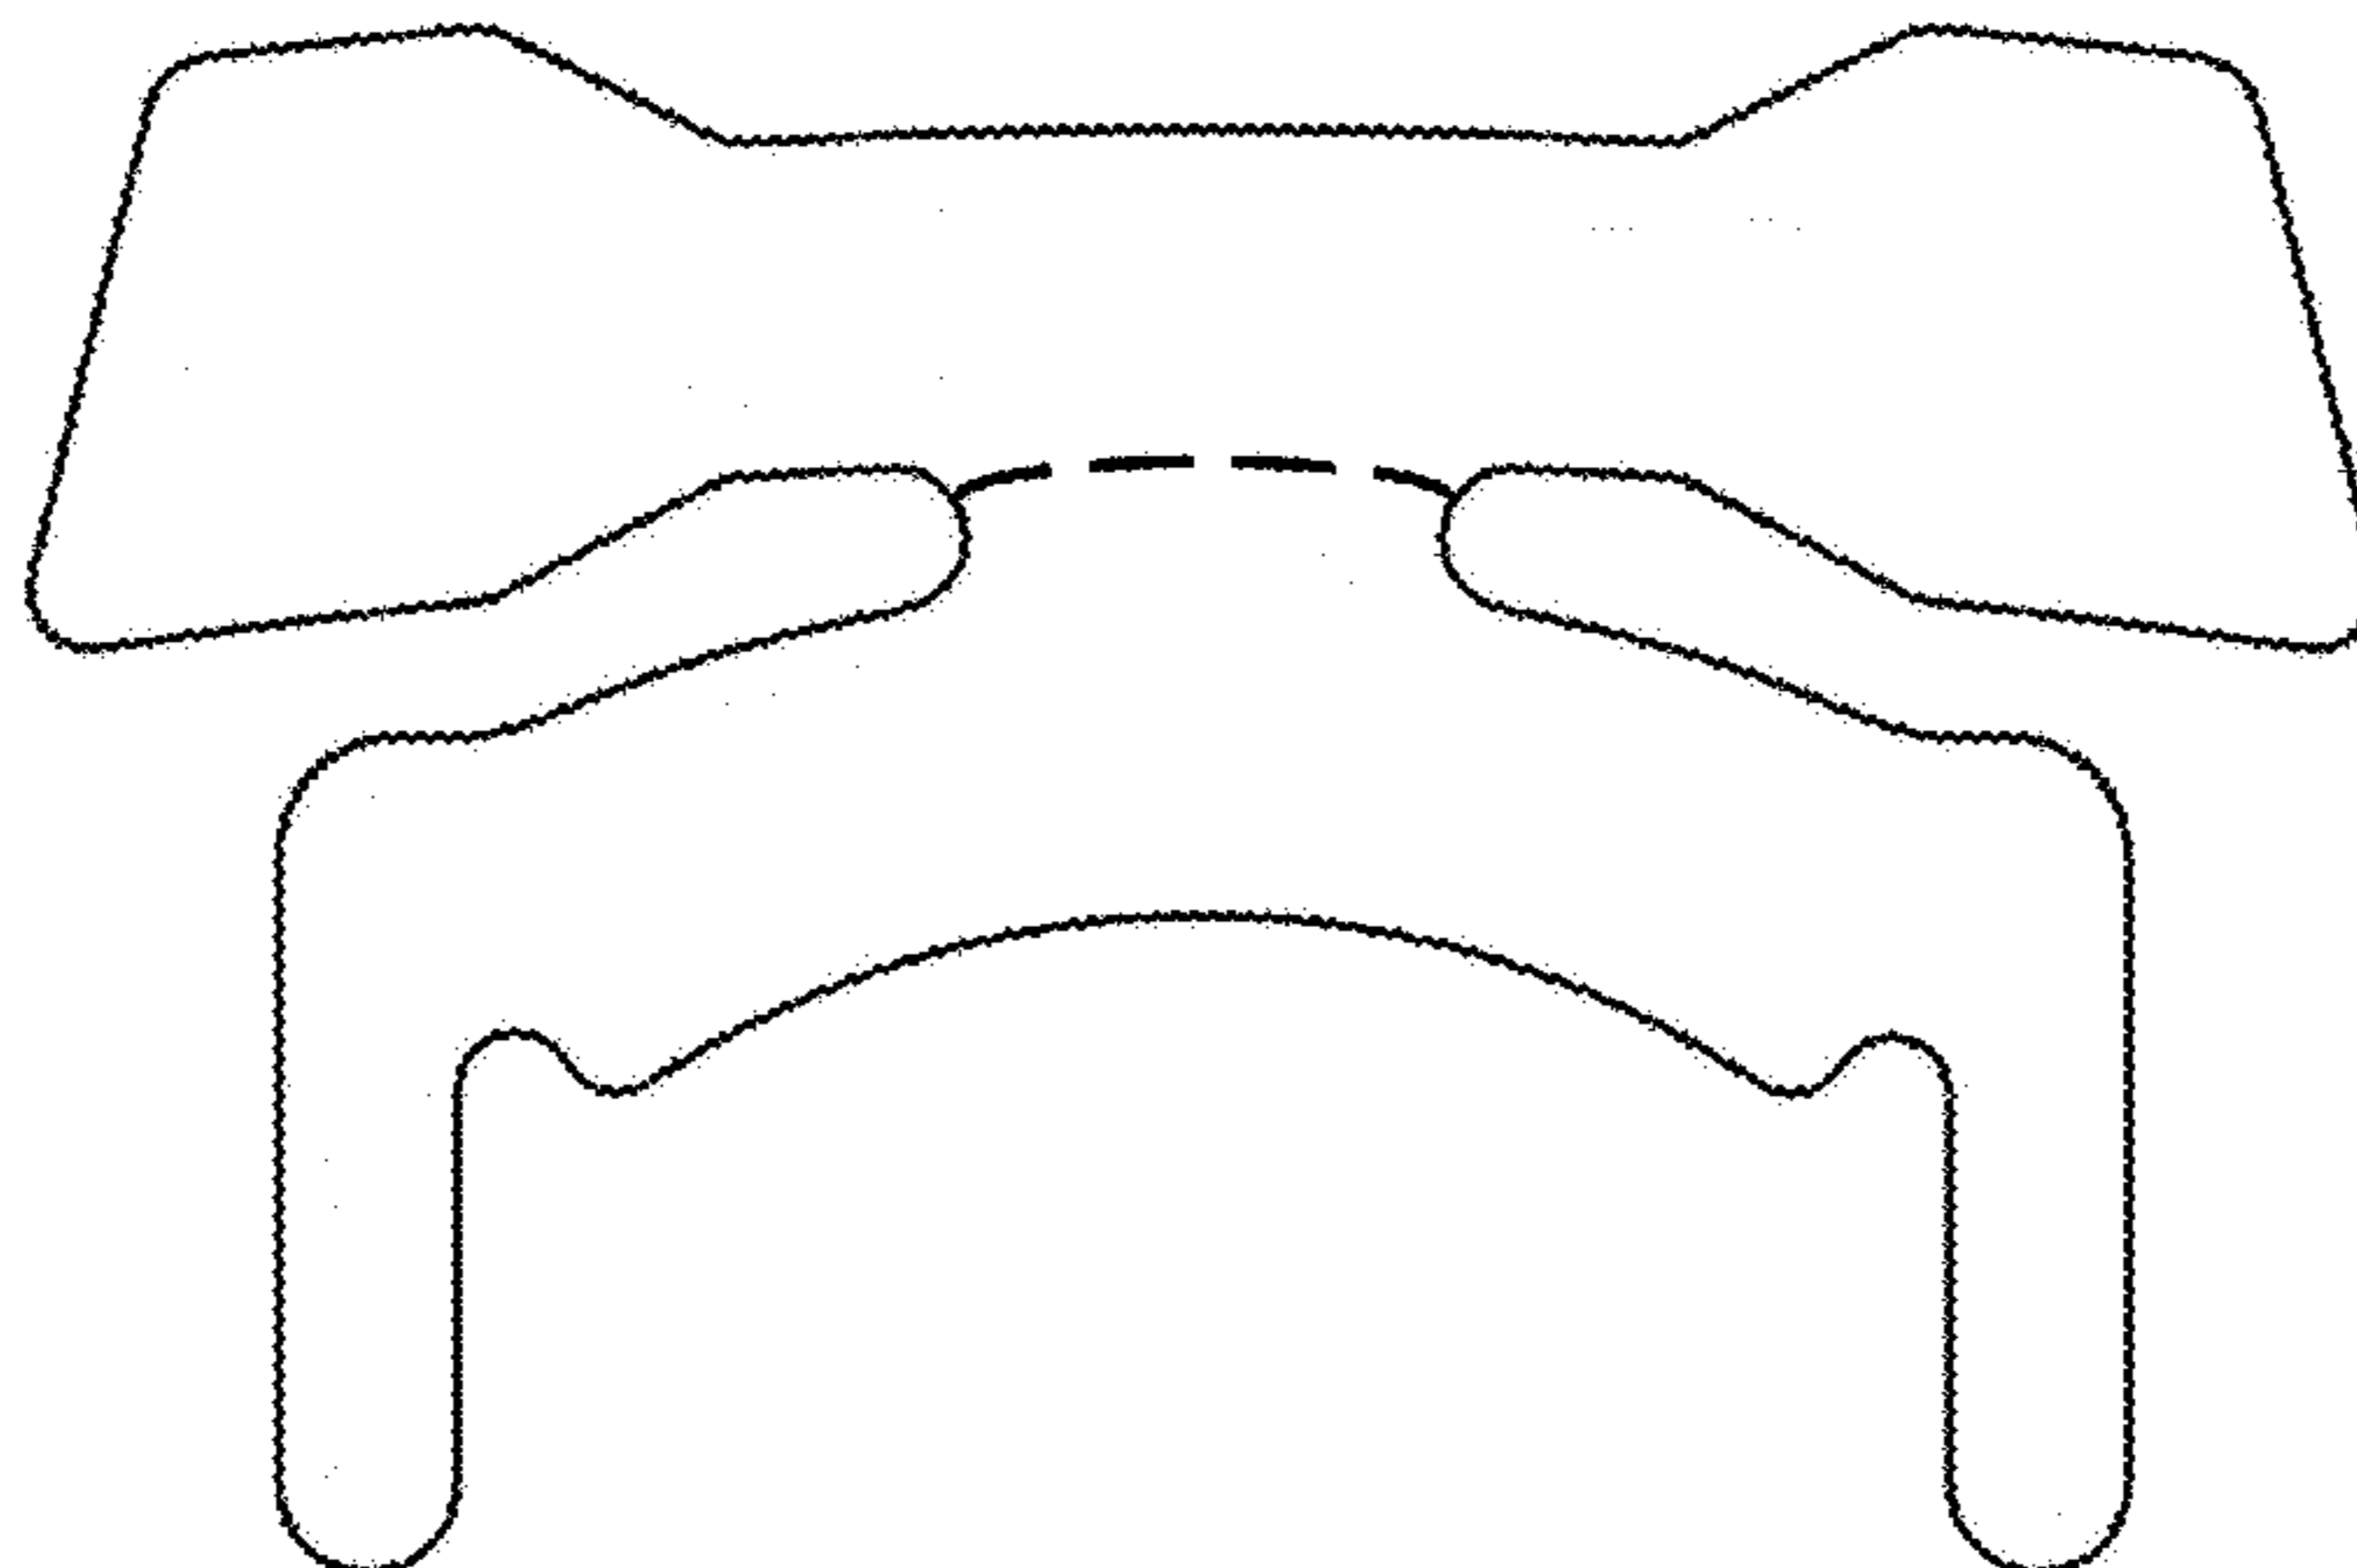

DESCRIPTION

The sole FIGURE is a front view of a nasal dilator showing our new design, a rear view thereof being a mirror image of the front view, the nasal dilator being substantially flat so that side and end views thereof are substantially a line. The broken lines are for the purpose of illustrating portions of the nasal dilator that form no part of the claimed design.
