(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

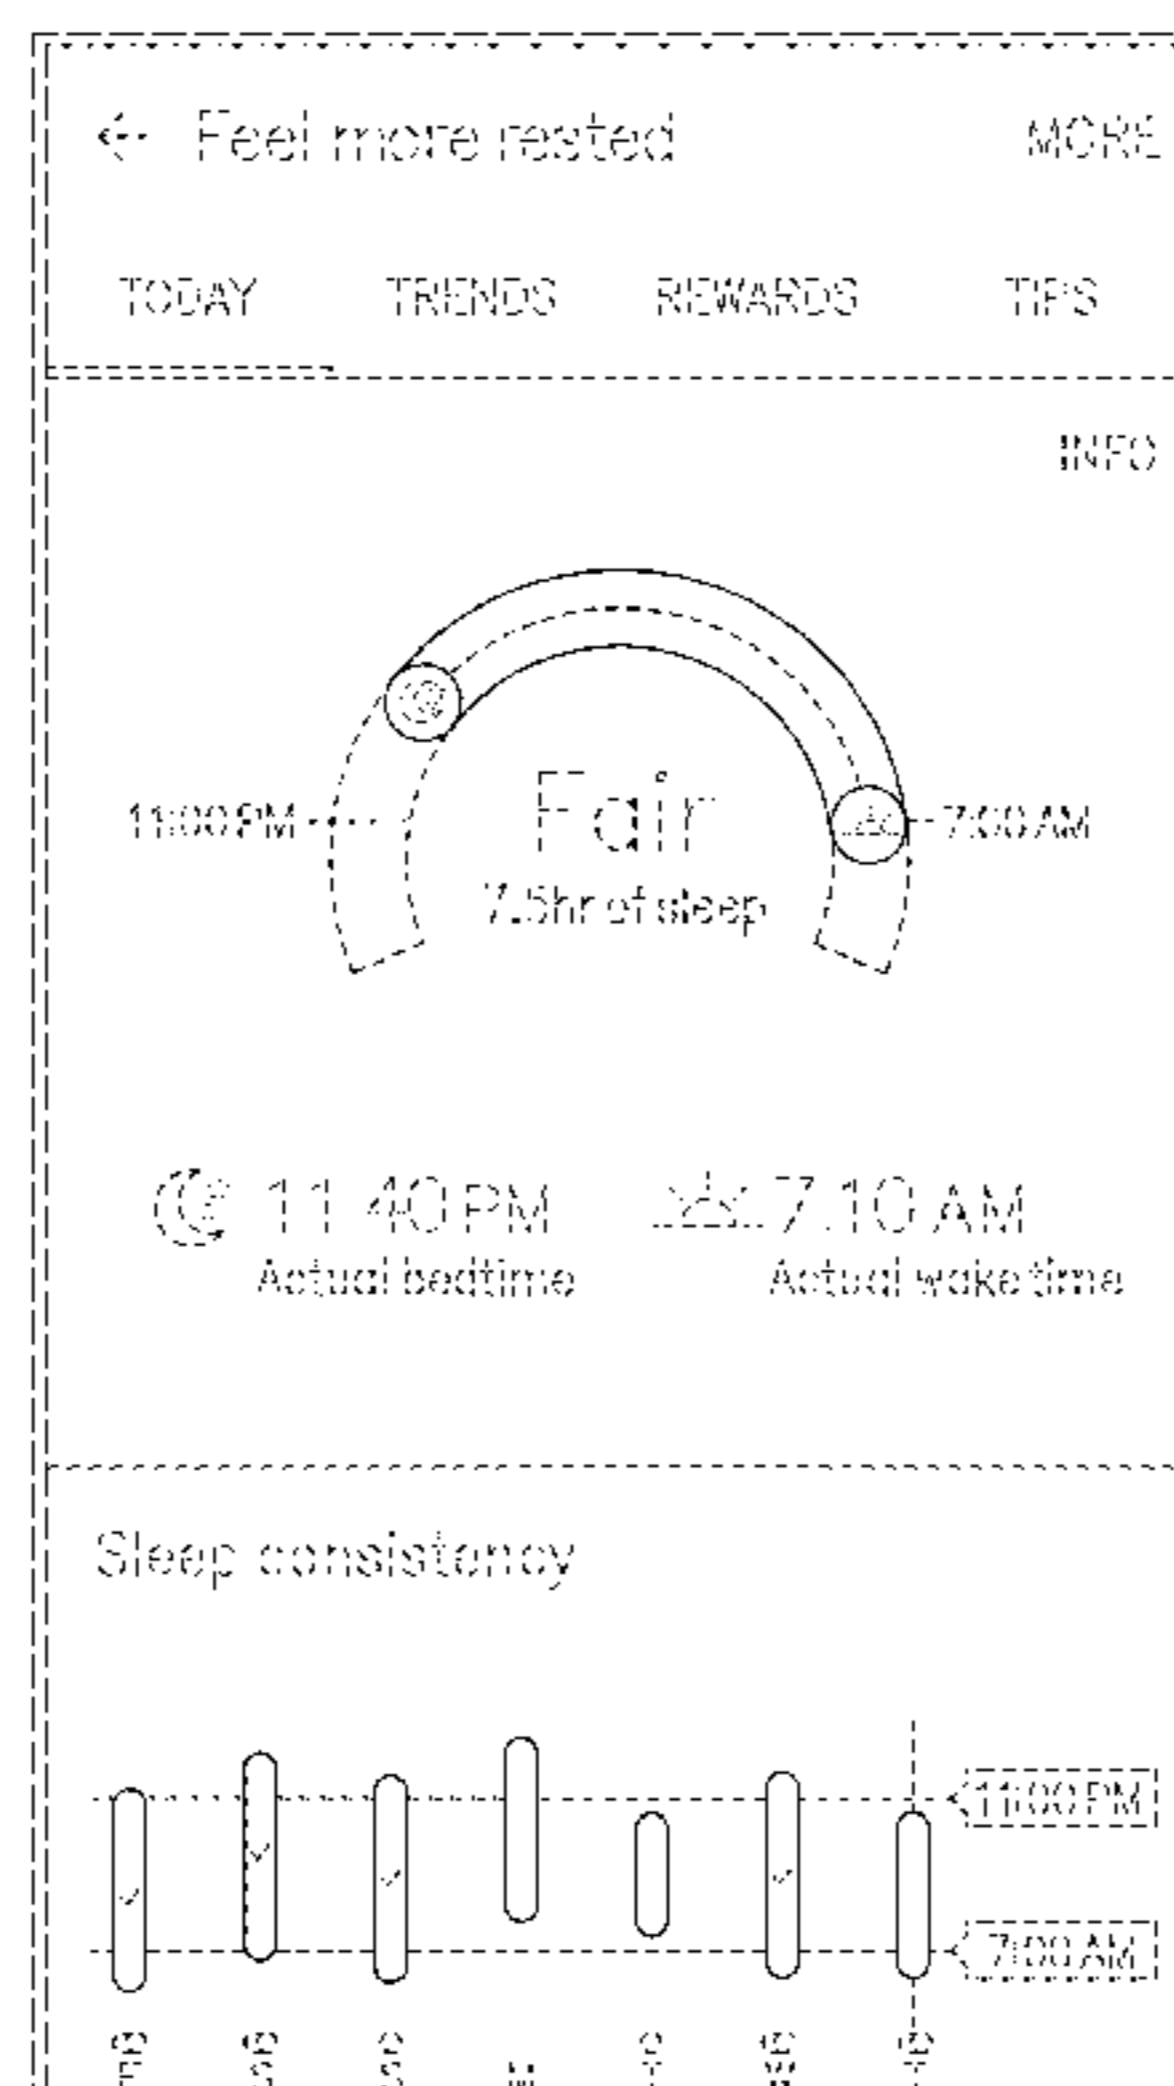

The outermost broken lines showing the display screen or portion thereof, and the broken lines within showing the features of the graphical user interface are provided for the purpose of illustrating portions of the article, and form no part of the claimed design.
