(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE shows a display screen or portion thereof with graphical user interface showing our new design. The dashed broken lines represent portions of the graphical user interface that form no part of the claimed design; the peripheral dot-dash broken lines represent an unclaimed boundary of the display screen or portion thereof; the dot-dot-dash broken lines represent an unclaimed boundary; the broken lines themselves form no part of the claimed design.
