FIG. 1 is a perspective view of the handles for bucket container of the present invention.
FIG. 2 is first-side view of the handles for bucket container of the present invention.
FIG. 3 is second-side view of the handles for bucket container of the present invention.
FIG. 4 is third-side view of the handles for bucket container of the present invention.
FIG. 5 is fourth-side view of the handles for bucket container of the present invention.
FIG. 6 is a top plan view of the handles for bucket container of the present invention; and,
FIG. 7 is a bottom plan view of the handles for bucket container of the present invention.
The broken lines in the drawings depict environmental portions that form no part of the claimed design.
