(57) **CLAIM**

The ornamental design for a collection, charging and distribution device for portable electrical energy storage devices, as shown and described.

DESCRIPTION

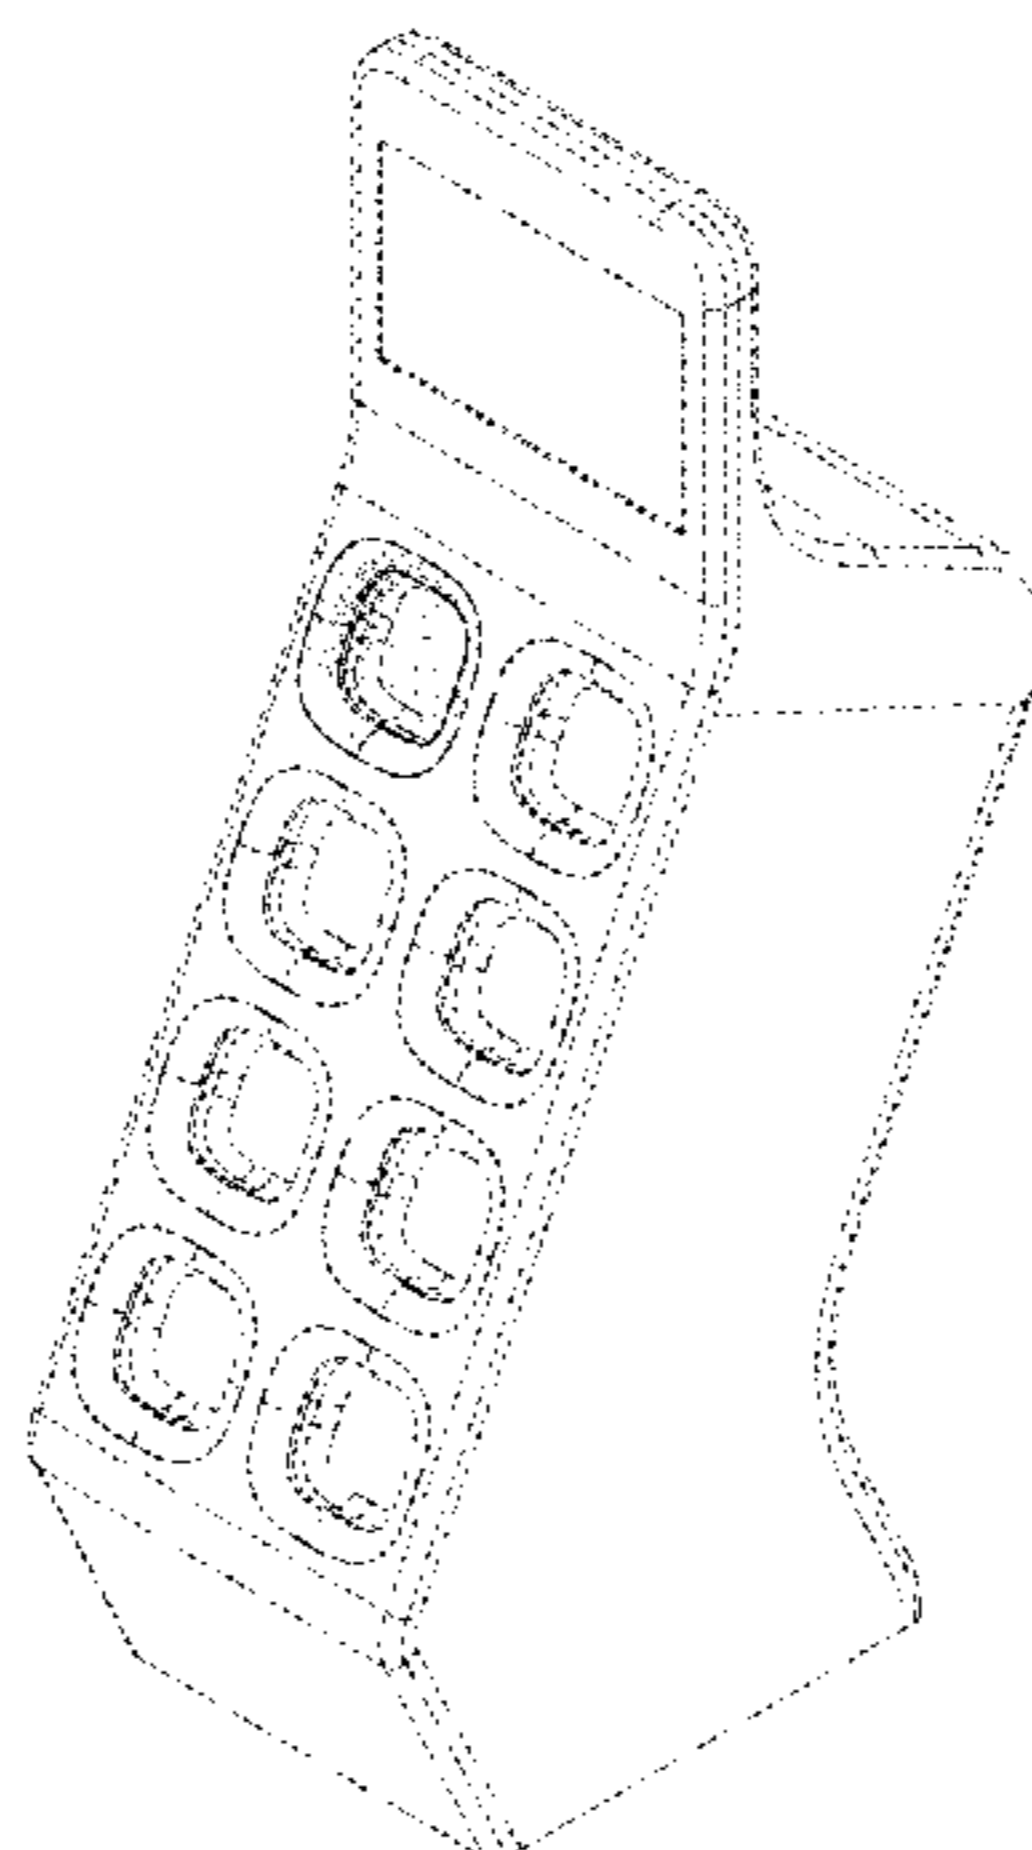

FIG. 1 is a front perspective view of a component of a collection, charging and distribution device for portable electrical energy storage devices showing our new design. FIG. 2 front elevational view thereof; and, FIG. 3 is a top plan view thereof. The broken lines in FIGS. 1-3 of a component of a collection, charging and distribution device for portable electrical energy storage devices are for the purpose of illustrating environmental structure for the claimed design and form no part of the claimed design.
