(57) **CLAIM**

The ornamental design for a housing for electric and electronic components, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of an embodiment of a housing for electric and electronic components, showing the inventor's new design;

FIG. 2 is a side perspective view of the inventor's housing for electric and electronic components of FIG. 1;

FIG. 3 is a rear view of the inventor's housing for electric and electronic components of FIG. 1; and,

FIG. 4 is a side perspective rear view of the inventor's housing for electric and electronic components of FIG. 1.
