(57) **CLAIM**

The ornamental design for a pillow.

DESCRIPTION

FIG. 1 is a front elevation view of a pillow, the left side elevation view, right side elevation view, and rear elevation view being a mirror image;

FIG. 2 is a bottom plan view thereof;

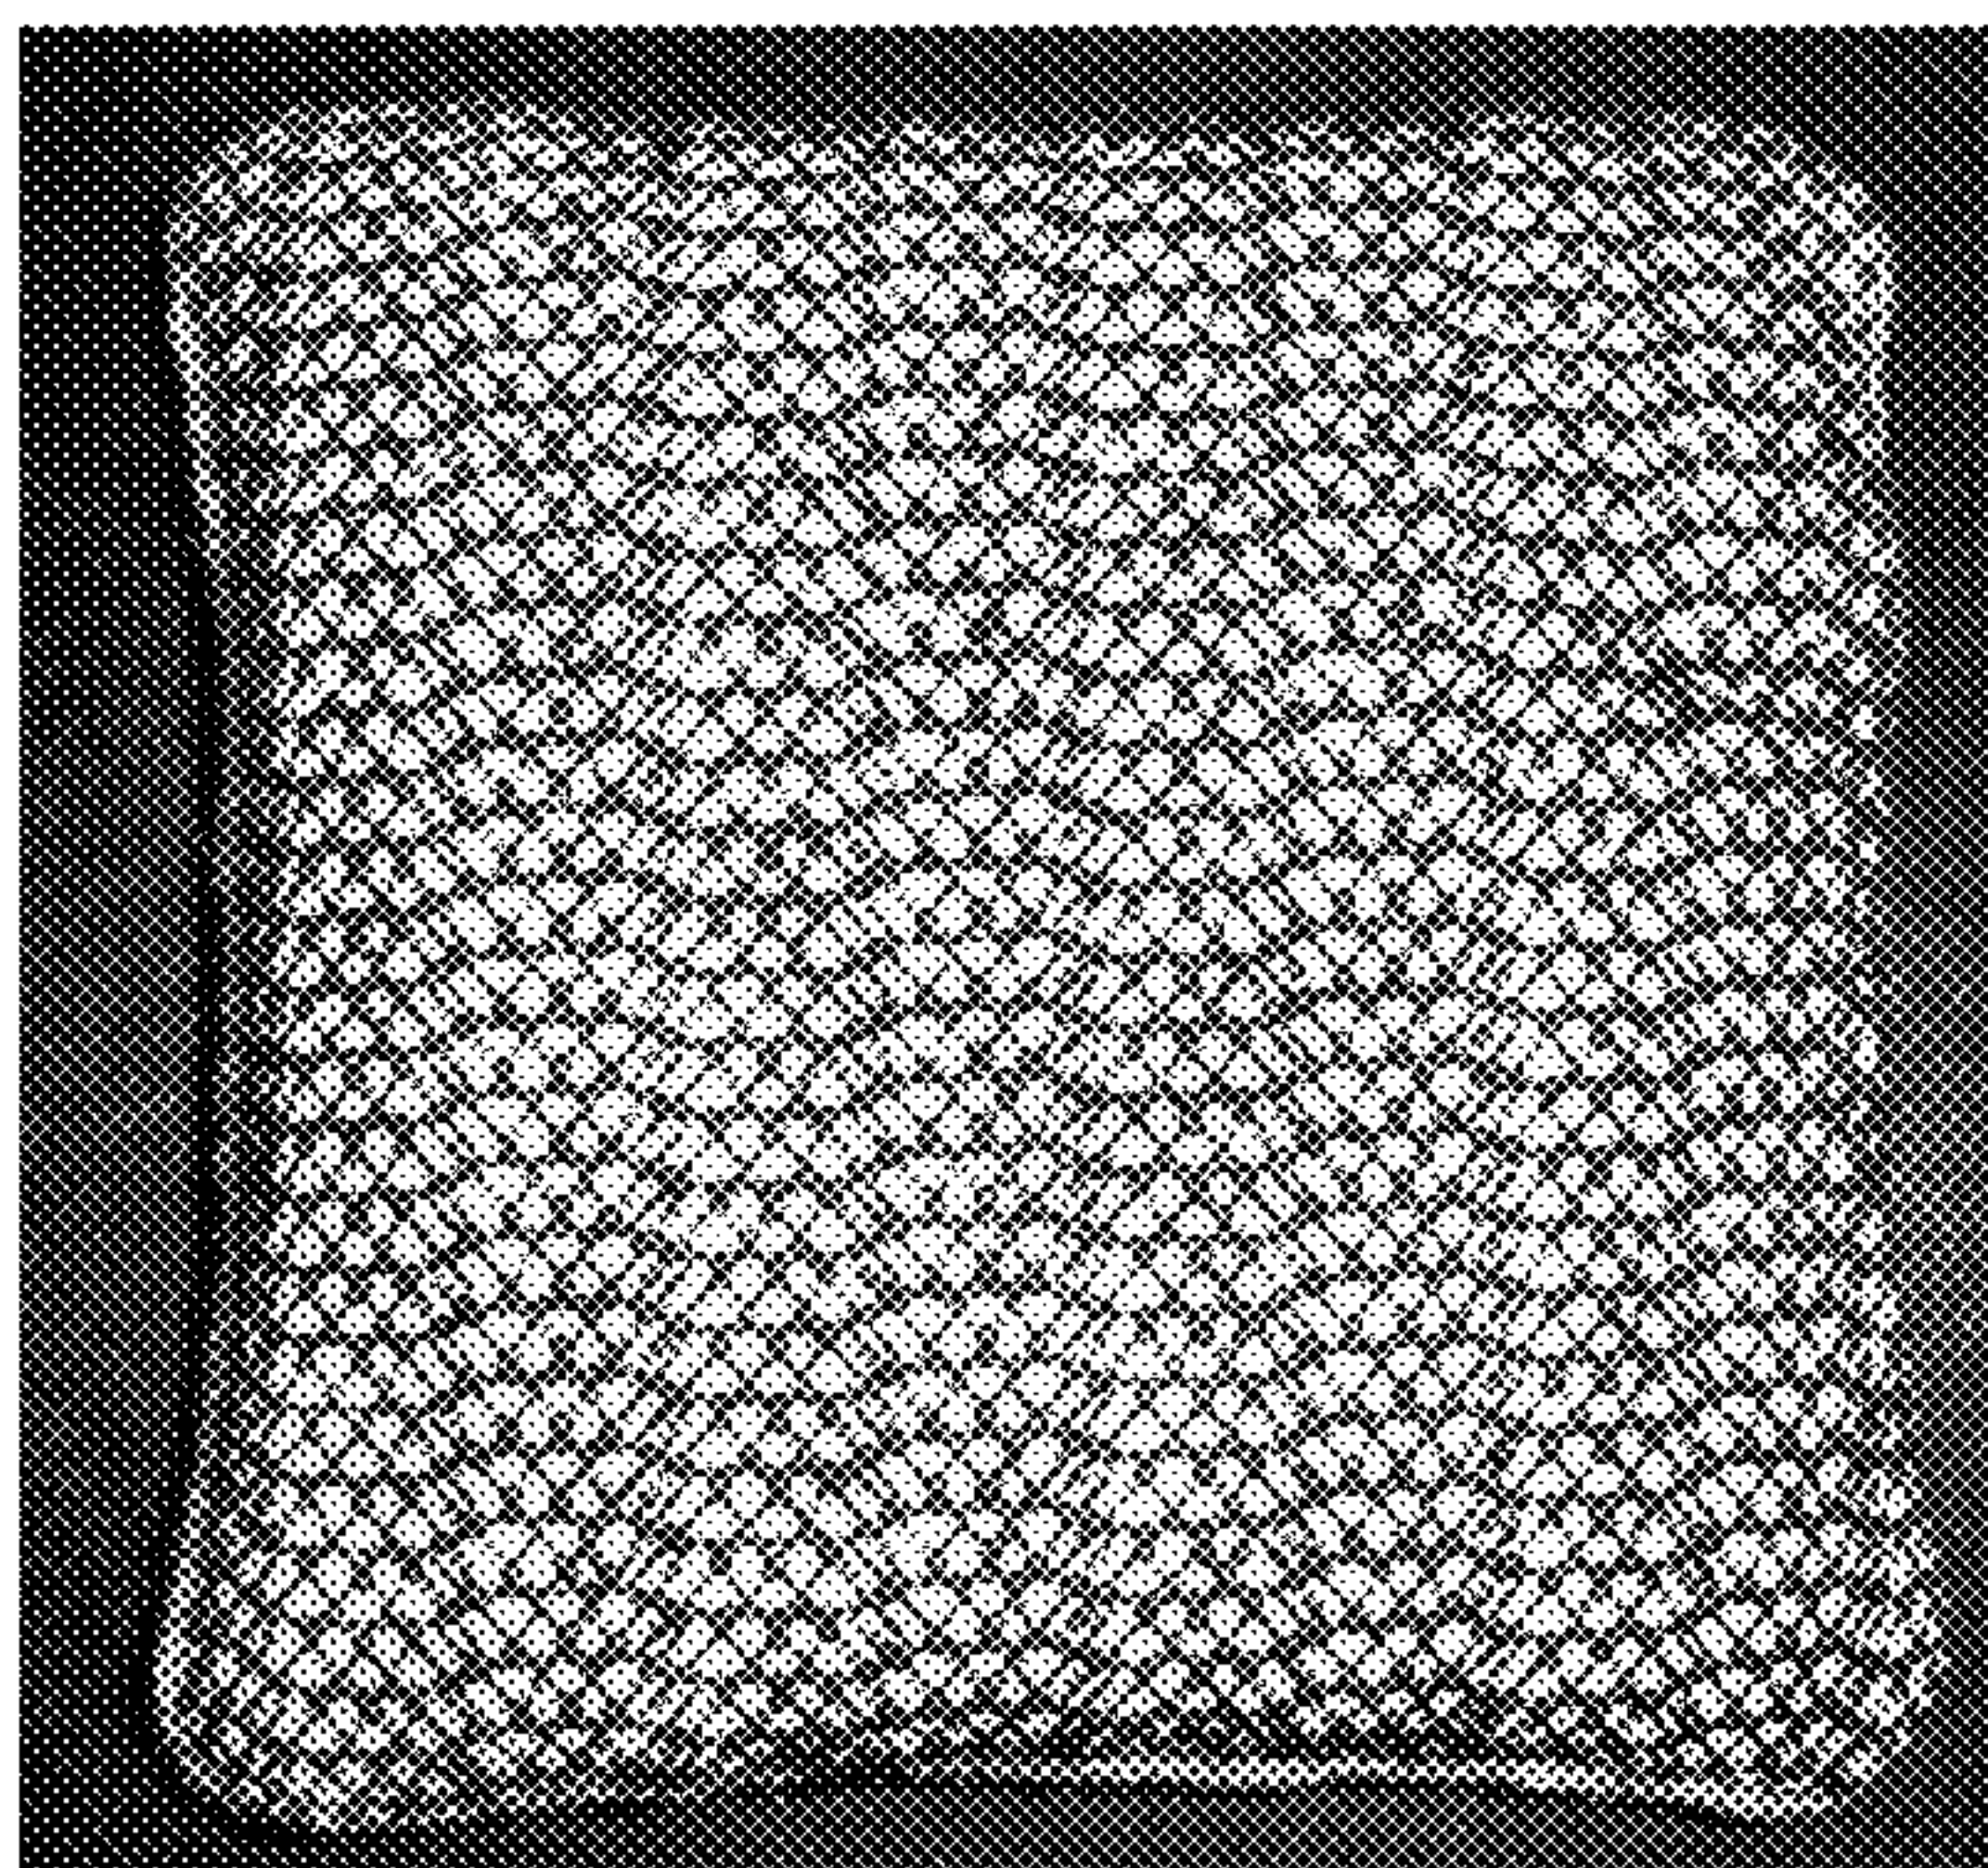

FIG. 3 is a front bottom perspective view thereof, each of a left bottom perspective view, a right bottom perspective view, and a rear bottom perspective view being a mirror image;

FIG. 4 is a top plan view thereof; and,

FIG. 5 is a front top perspective view thereof, each of a left top perspective view, a right top perspective view, and a rear top perspective view being a mirror image.

The pillow shown in the drawings represents the claim, the dark environment shown behind the pillow forms no part of the claimed design.
