(57) **CLAIM**

The ornamental design for a safety strip and mount, as shown and described above.

DESCRIPTION

FIG. 1 is a front view of a safety strip and mount in a position of use;
FIG. 2 is a front perspective view thereof;
FIG. 3 is a top view of thereof;
FIG. 4 is a front elevational view thereof;
FIG. 5 is a bottom view thereof;
FIG. 6 is a rear elevational view thereof; and,
FIG. 7 is a left side elevational view; the other side being the mirror image thereof.
A left side elevational view is provided for each drawing of which the right side elevational view is identical.
The broken lines in the drawings illustrate portions of the safety strip and mount, as well as environment, which form no part of the claimed design.
The break lines in the drawings indicate that the appearance of any portion of the safety strip and mount between the break lines forms no part of the claimed design.

1 Claim, 3 Drawing Sheets
