(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The patent or patent application file contains at least one drawing executed in color. Copies of this patent or patent application with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a front view of a display screen with graphical user interface.

The outermost broken lines showing of a portion of a display screen define the bounds of the claimed design and form no part thereof.
