(57) **CLAIM**

The ornamental design for a beveled berm, as shown and described.

DESCRIPTION

The sole FIGURE is a perspective view of a beveled berm showing my new design. The dot-dash lines immediately adjacent the shaded areas represent a claim boundary and form no part of the claimed design. All other broken lines are directed to portions of the beveled berm that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
