The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. FIG. 1 shows a plan view of a fabric substrate with a camouflage pattern showing my new design in color; and, FIG. 2 shows a plan view of a fabric substrate with a camouflage pattern in greyscale. The broken line perimeter defines the boundaries of the claim and forms no part thereof.
