(57) **CLAIM**

The ornamental design for a multi-function slide hammer, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the multi-function slide hammer;

FIG. 2 is a front elevation view of the multi-function slide hammer, the back side being a mirror image;

FIG. 3 is a left side elevation view of the multi-function slide hammer, the right side being a mirror image;

FIG. 4 is a top plan view of the multi-function slide hammer;

FIG. 5 is a bottom plan view of the multi-function slide hammer; and,

FIG. 6 is a perspective view of the multi-function slide hammer embedded in a log.

The broken lines illustrate environmental matter and form no part of the claimed design.
