(57) **CLAIM**

We claim the ornamental design for a cap for a medication container, as shown and described.

DESCRIPTION

FIG. 1 is a top and front side perspective view of an ornamental design for a cap for a medication container; FIG. 2 is a front side elevational view thereof, the back side elevational view being duplicative of the front side elevational view;

FIG. 3 is a top plan view thereof; and, FIG. 4 is a bottom plan view thereof.

The broken line showings of the cap for a medication container form no part of the claimed design. The broken line showing of the medication container illustrates the environment of the claimed design and forms no part thereof.
