(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE shows a display screen or portion thereof with graphical user interface showing our new design. The peripheral dashed broken lines illustrate a display screen or portion thereof and form no part of the claimed design. The broken lines within the peripheral dashed broken lines illustrate portions of the graphical user interface which form no part of the claimed design. In the sole FIGURE, shading illustrates tonal contrast.
