(57) **CLAIM**

The ornamental design for a display panel with icon, as shown and described.

DESCRIPTION

The patent or application file contains at least one color drawing. Copies of this patent or patent application publication with color drawing will be provided by the USPTO upon request and payment of the necessary fee. FIG. 1 is a front view of a display panel with icon showing our new design; and, FIG. 2 is a front view of the display panel with icon showing the icon enlarged and separate for clarity. The equal length broken lines in FIG. 1 show the display panel and form no part of the claimed design. The dash-dot broken lines in FIGS. 1 and 2 define the bounds of the claimed design and form no part thereof.
