(57) **CLAIM**
The ornamental design for a pressure relief body cushion, as shown and described.

DESCRIPTION
FIG. 1 is a front perspective view of the pressure relief body cushion;
FIG. 2 is a front elevation view of the pressure relief body cushion, the rear elevation view being an identical image thereof;
FIG. 3 is a left side elevation view of the pressure relief body cushion, the right side elevation view being a mirror image thereof;
FIG. 4 is a top plan view thereof; and,
FIG. 5 is a bottom plan view thereof.
