(57) **CLAIM**

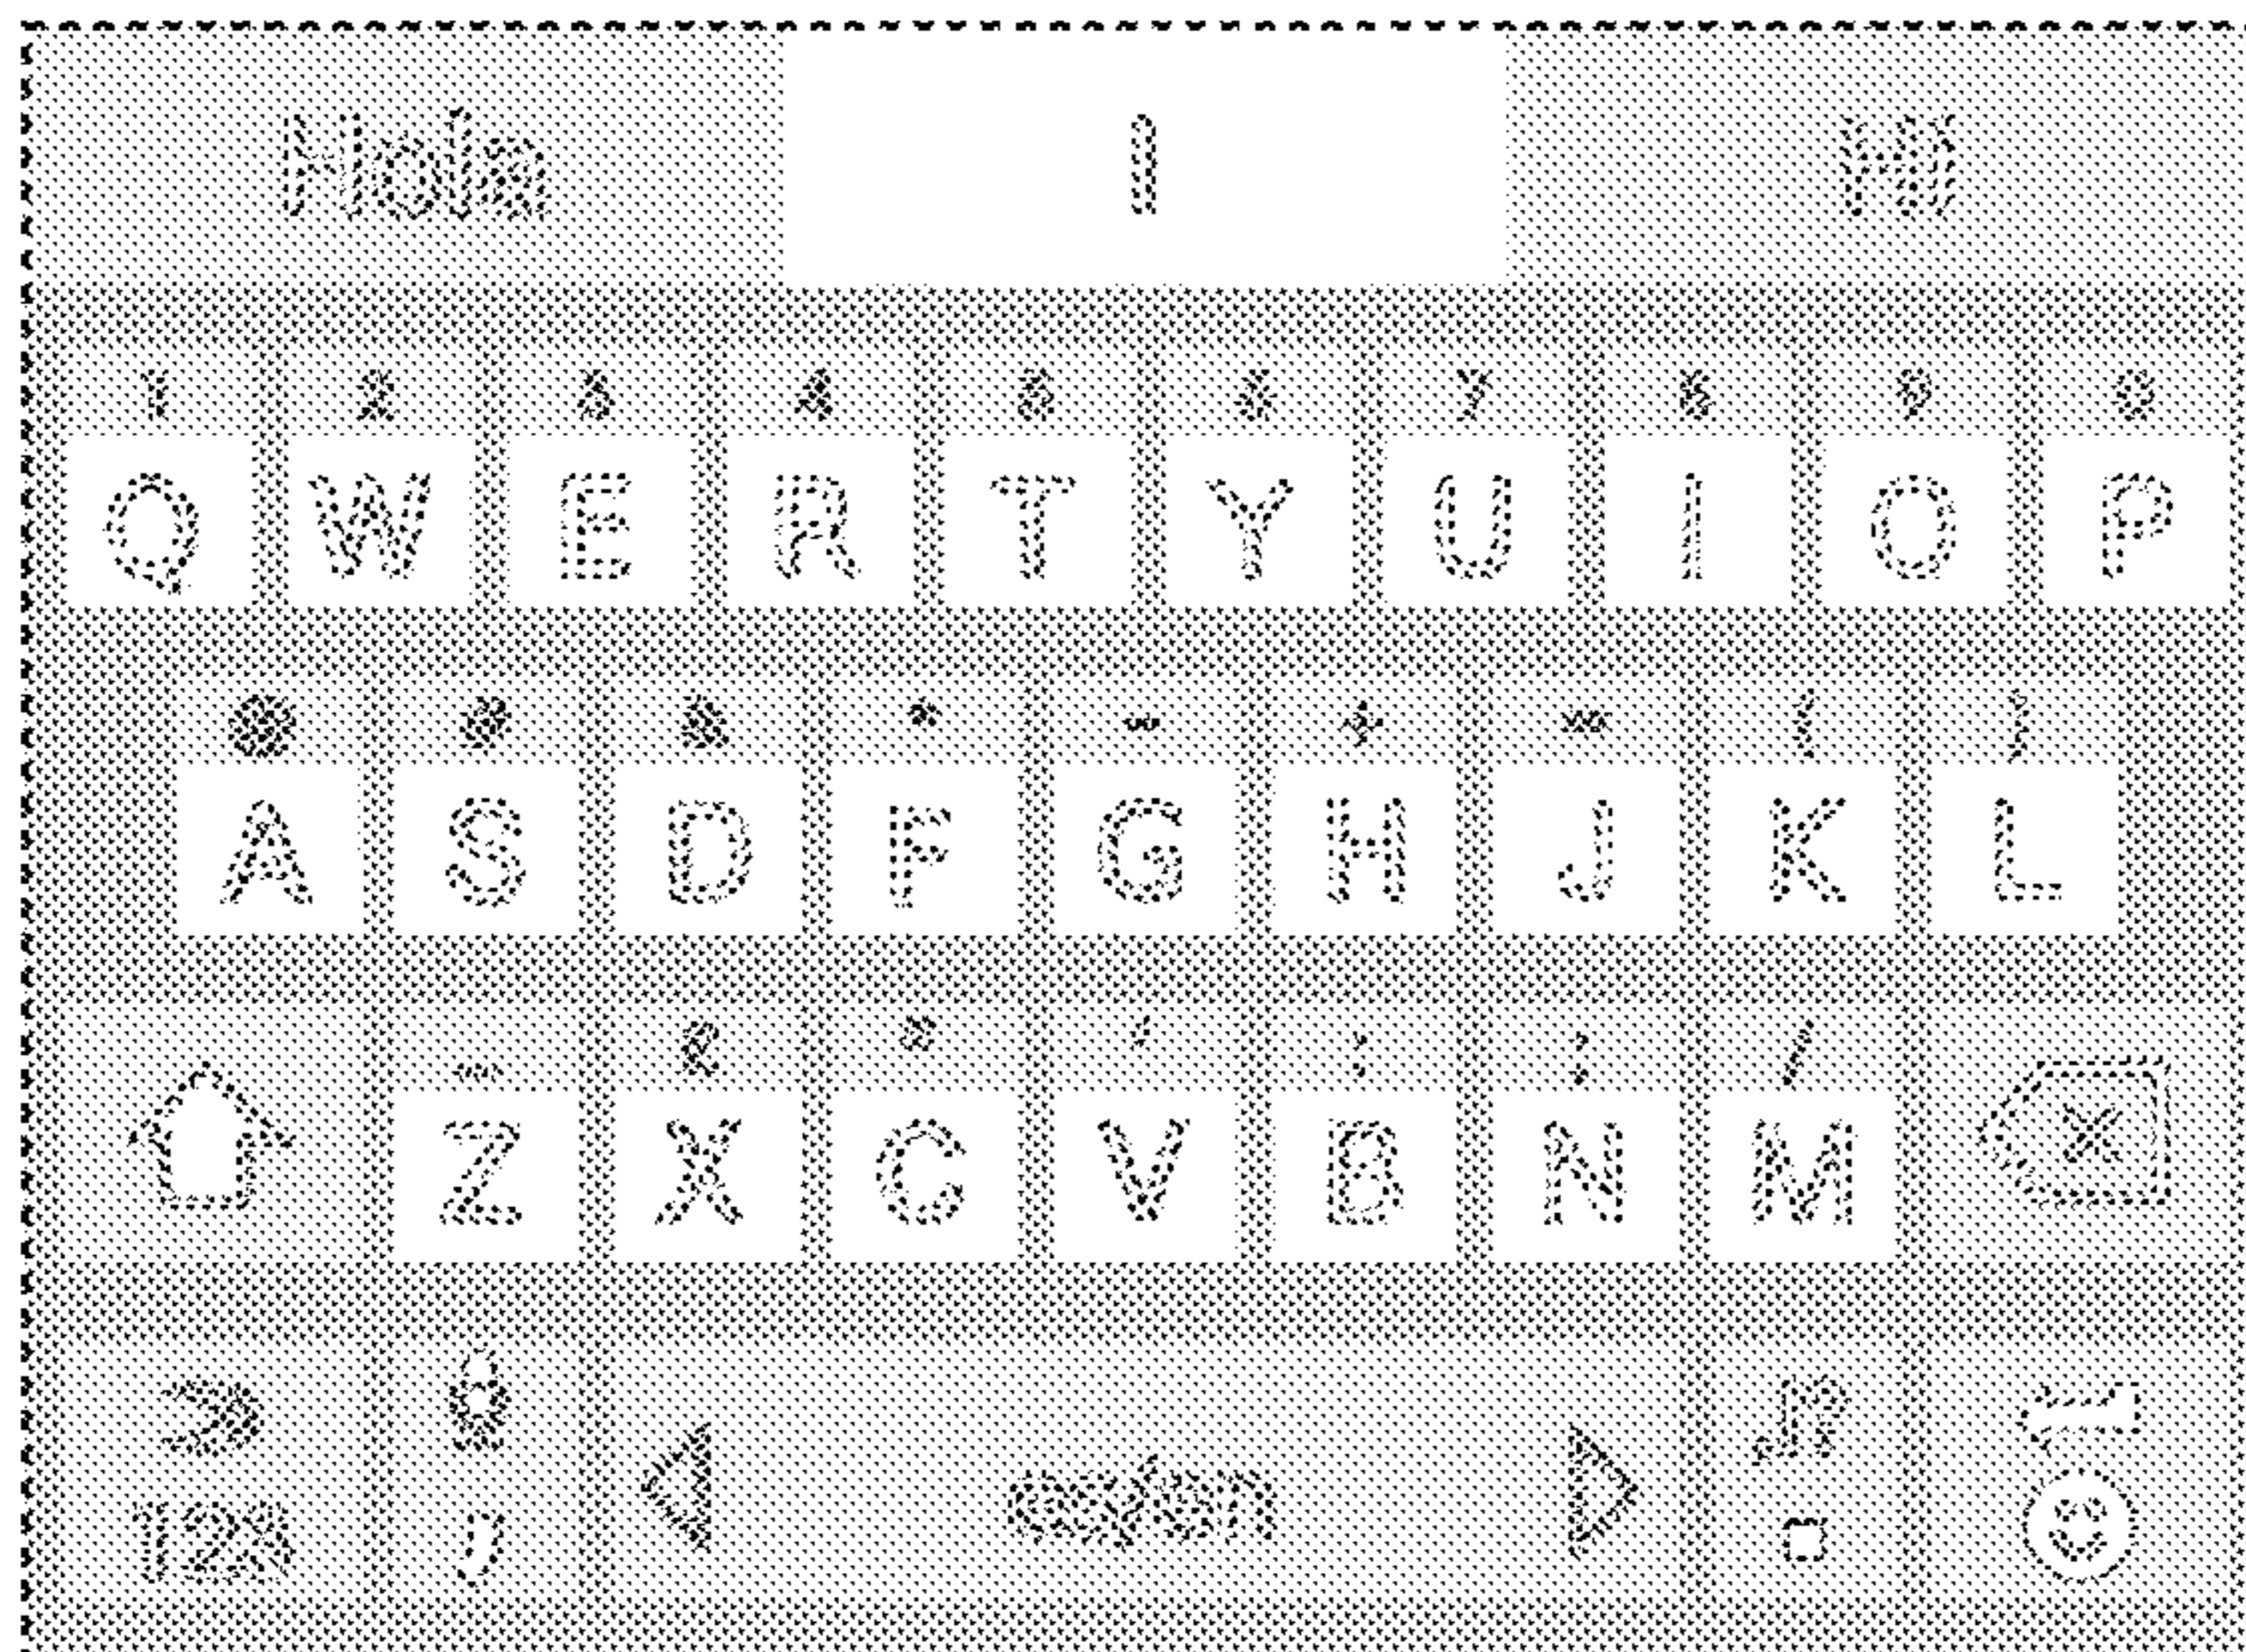

We claim the ornamental design for an electronic device display with a keyboard graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of an electronic device display with a keyboard graphical user interface showing our new design; FIG. 2 is a front view of an electronic device display with a keyboard graphical user interface showing an alternative embodiment of our new design; and, FIG. 3 is a front view of an enlarged portion of the design in FIG. 1.

The even-length broken lines showing the remainder of the user interface forms no part of the claimed design. The even-length broken lines showing the display screen is for environmental purposes only and forms no part of the claimed design. The uneven-length broken line boundary in FIG. 3 illustrates a boundary for the enlarged portion taken from FIG. 1, and forms no part of the claimed design.
