(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The drawing is a front view of a display screen with graphical user interface.

The broken line showing of a display screen and graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design. The broken line showing of an electronic device is included for the purpose of illustrating environmental structure and forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
