DESCRIPTION

See application file for complete search history.

FIG. 1 is a top, front perspective view of the foot massaging physiotherapy plate which is comprised of a top nodule portion and a bottom base portion;
FIG. 2 is a top plan view of the top nodule portion of the foot massaging physiotherapy plate;
FIG. 3 is a top perspective view of the bottom base portion of the foot massaging physiotherapy plate; and,
FIG. 4 is an exploded top perspective view of the foot massaging physiotherapy plate with the top nodule portion and the bottom base portion separated for ease of illustration.

The bottom view of the foot massaging physiotherapy plate is flat and unornamented.
