The rear view of the front bumper forms no part of the claimed design. The inside surfaces of the front bumper form no part of the claimed design. The front bumper is configured to be mounted to an automobile. The inside surfaces of the front bumper, visible in FIGS. 2, 3, 6, and 7, form no part of the claimed design since the inside surfaces are hidden when the front bumper is mounted to the automobile. Further, the surfaces for mounting a radiator grille, visible in FIG. 2, form no part of the claimed design since the mounting surfaces are hidden when the radiator grill is mounted to the front bumper.
