(57) **CLAIM**

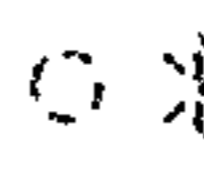

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

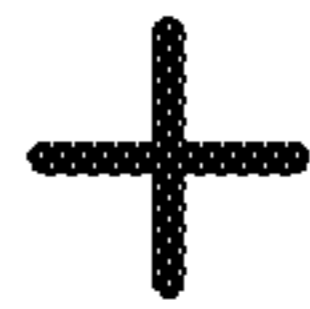

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing my new design.
 The graphical user interface for the display screen or portion thereof is denoted as bounded within dash lines. Any-The dash lines in the drawings showing the display screen and graphical user interface are for illustrative purposes only and form no part of the claimed design. Note that the dot-filled shading in the FIGURE indicates that the shaded area is of a different shade and/or tone from that of the unshaded area.
