See application file for complete search history.

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.
FIG. 1 is a top, front, and left side perspective view of a front grille of a three-wheeled vehicle showing our new design;
FIG. 2 is a left side elevation view thereof;
FIG. 3 is a front elevation view thereof;
FIG. 4 is a right side elevation view thereof; and,
FIG. 5 is a bottom plan view thereof.

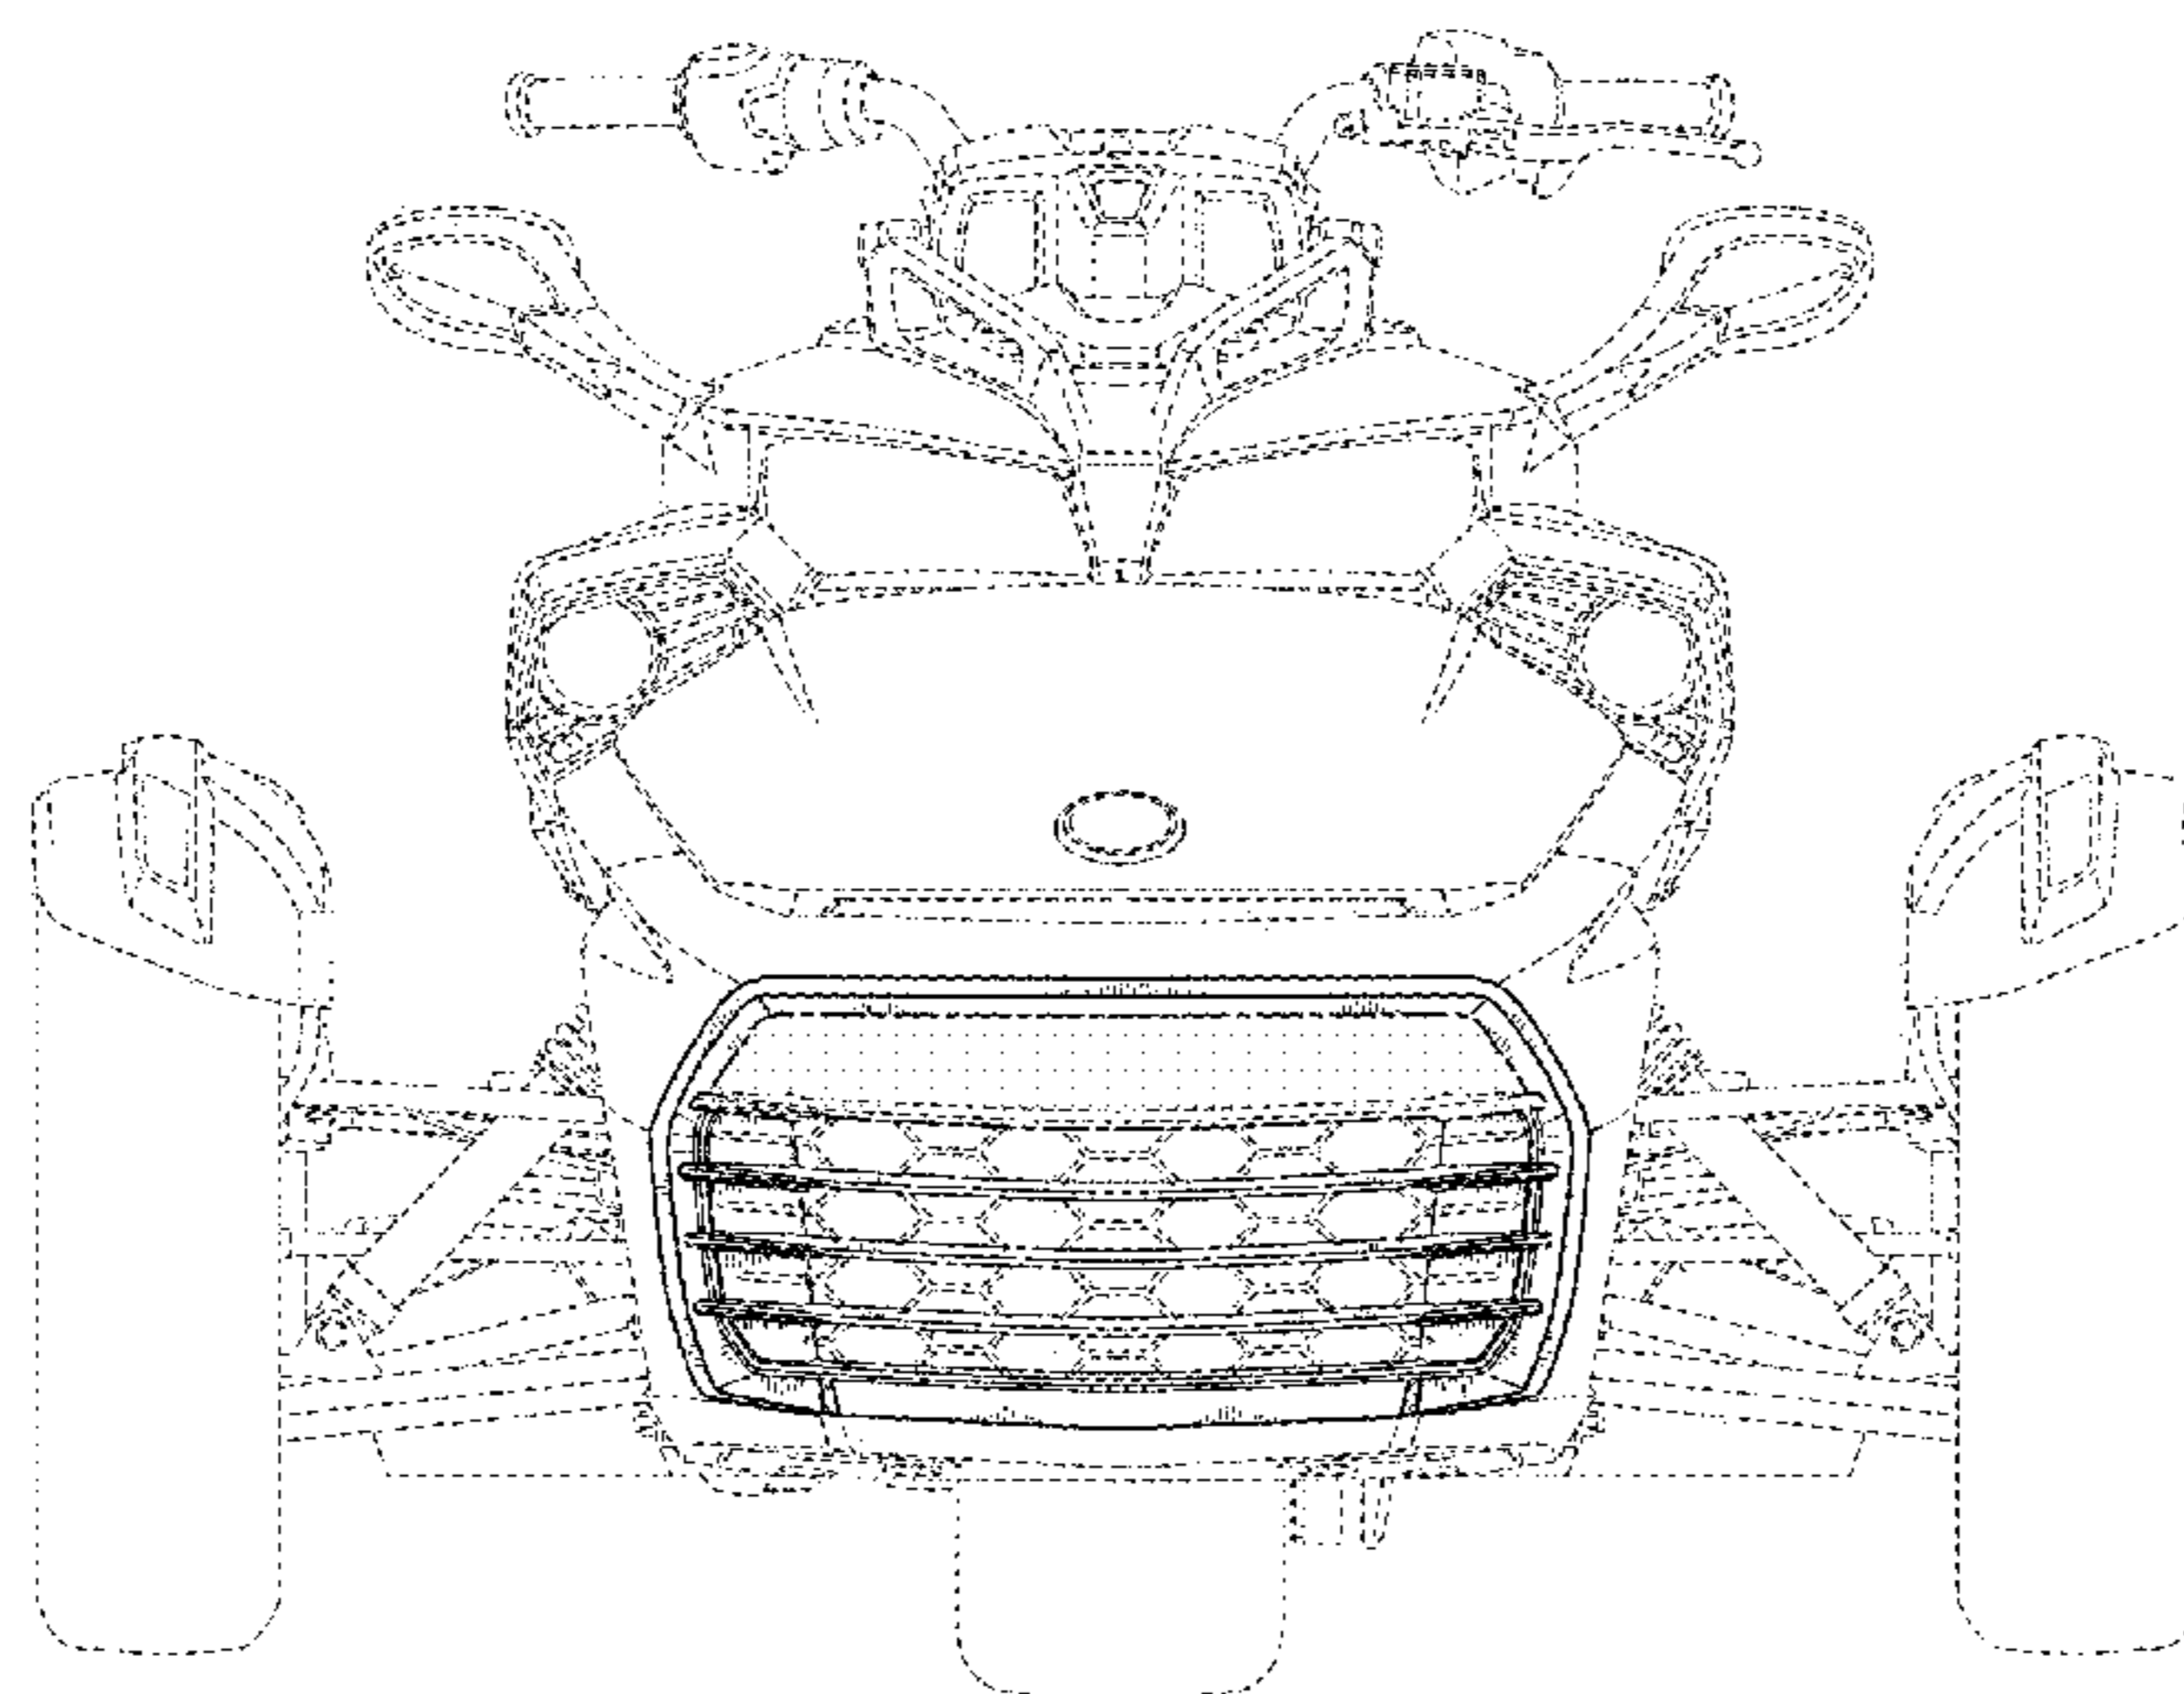

The even broken lines in the drawings illustrate an environmental structure of a three-wheeled vehicle and portions of its front grille that form no part of the claimed design. Additionally, the dot-dash broken lines indicate boundaries of the claimed design.
