(57) **CLAIM**

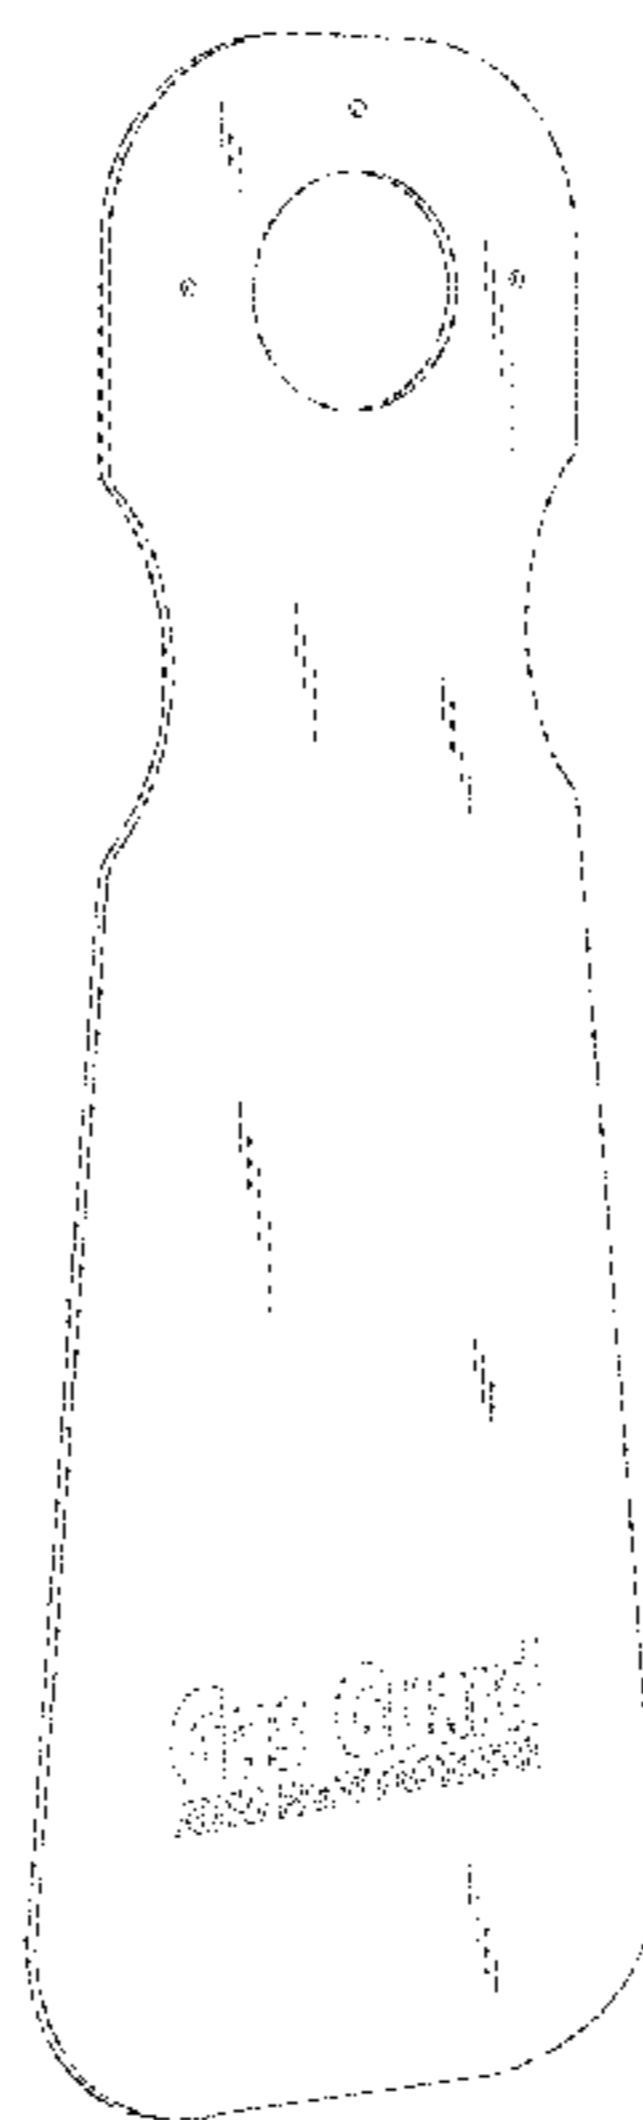

The ornamental design of tapered automobile paint protection device, is substantially as shown and described.

DESCRIPTION

FIG. 1 is a view from the top front and left side of a "tapered automobile paint protection device" showing my new design;
FIG. 2 is a top view thereof;
FIG. 3 is a bottom view thereof;
FIG. 4 is a front view thereof;
FIG. 5 is a rear view thereof; and,
FIG. 6 is a left side elevation view, thereof, and right side being the mirror image.
The broken line showing of tapered automobile paint protection device is included for the purpose of illustrating the environment of the device and forms no part of the claimed design.
