The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the claimed design.

The outermost dashed broken lines in the FIGURE show a display screen or portion thereof, and form no part of the claimed design. The other dashed broken lines in the FIGURE show portions of the graphical user interface that form no part of the claimed design. The dot-dash broken lines and the areas within the dot-dash broken lines in the FIGURE show portions of the graphical user interface that form no part of the claimed design. The area shown in gray tone in the FIGURE portrays the illusion of translucency.
