(57) **CLAIM**

The ornamental design for a display screen with icon, as shown and described.

**DESCRIPTION**

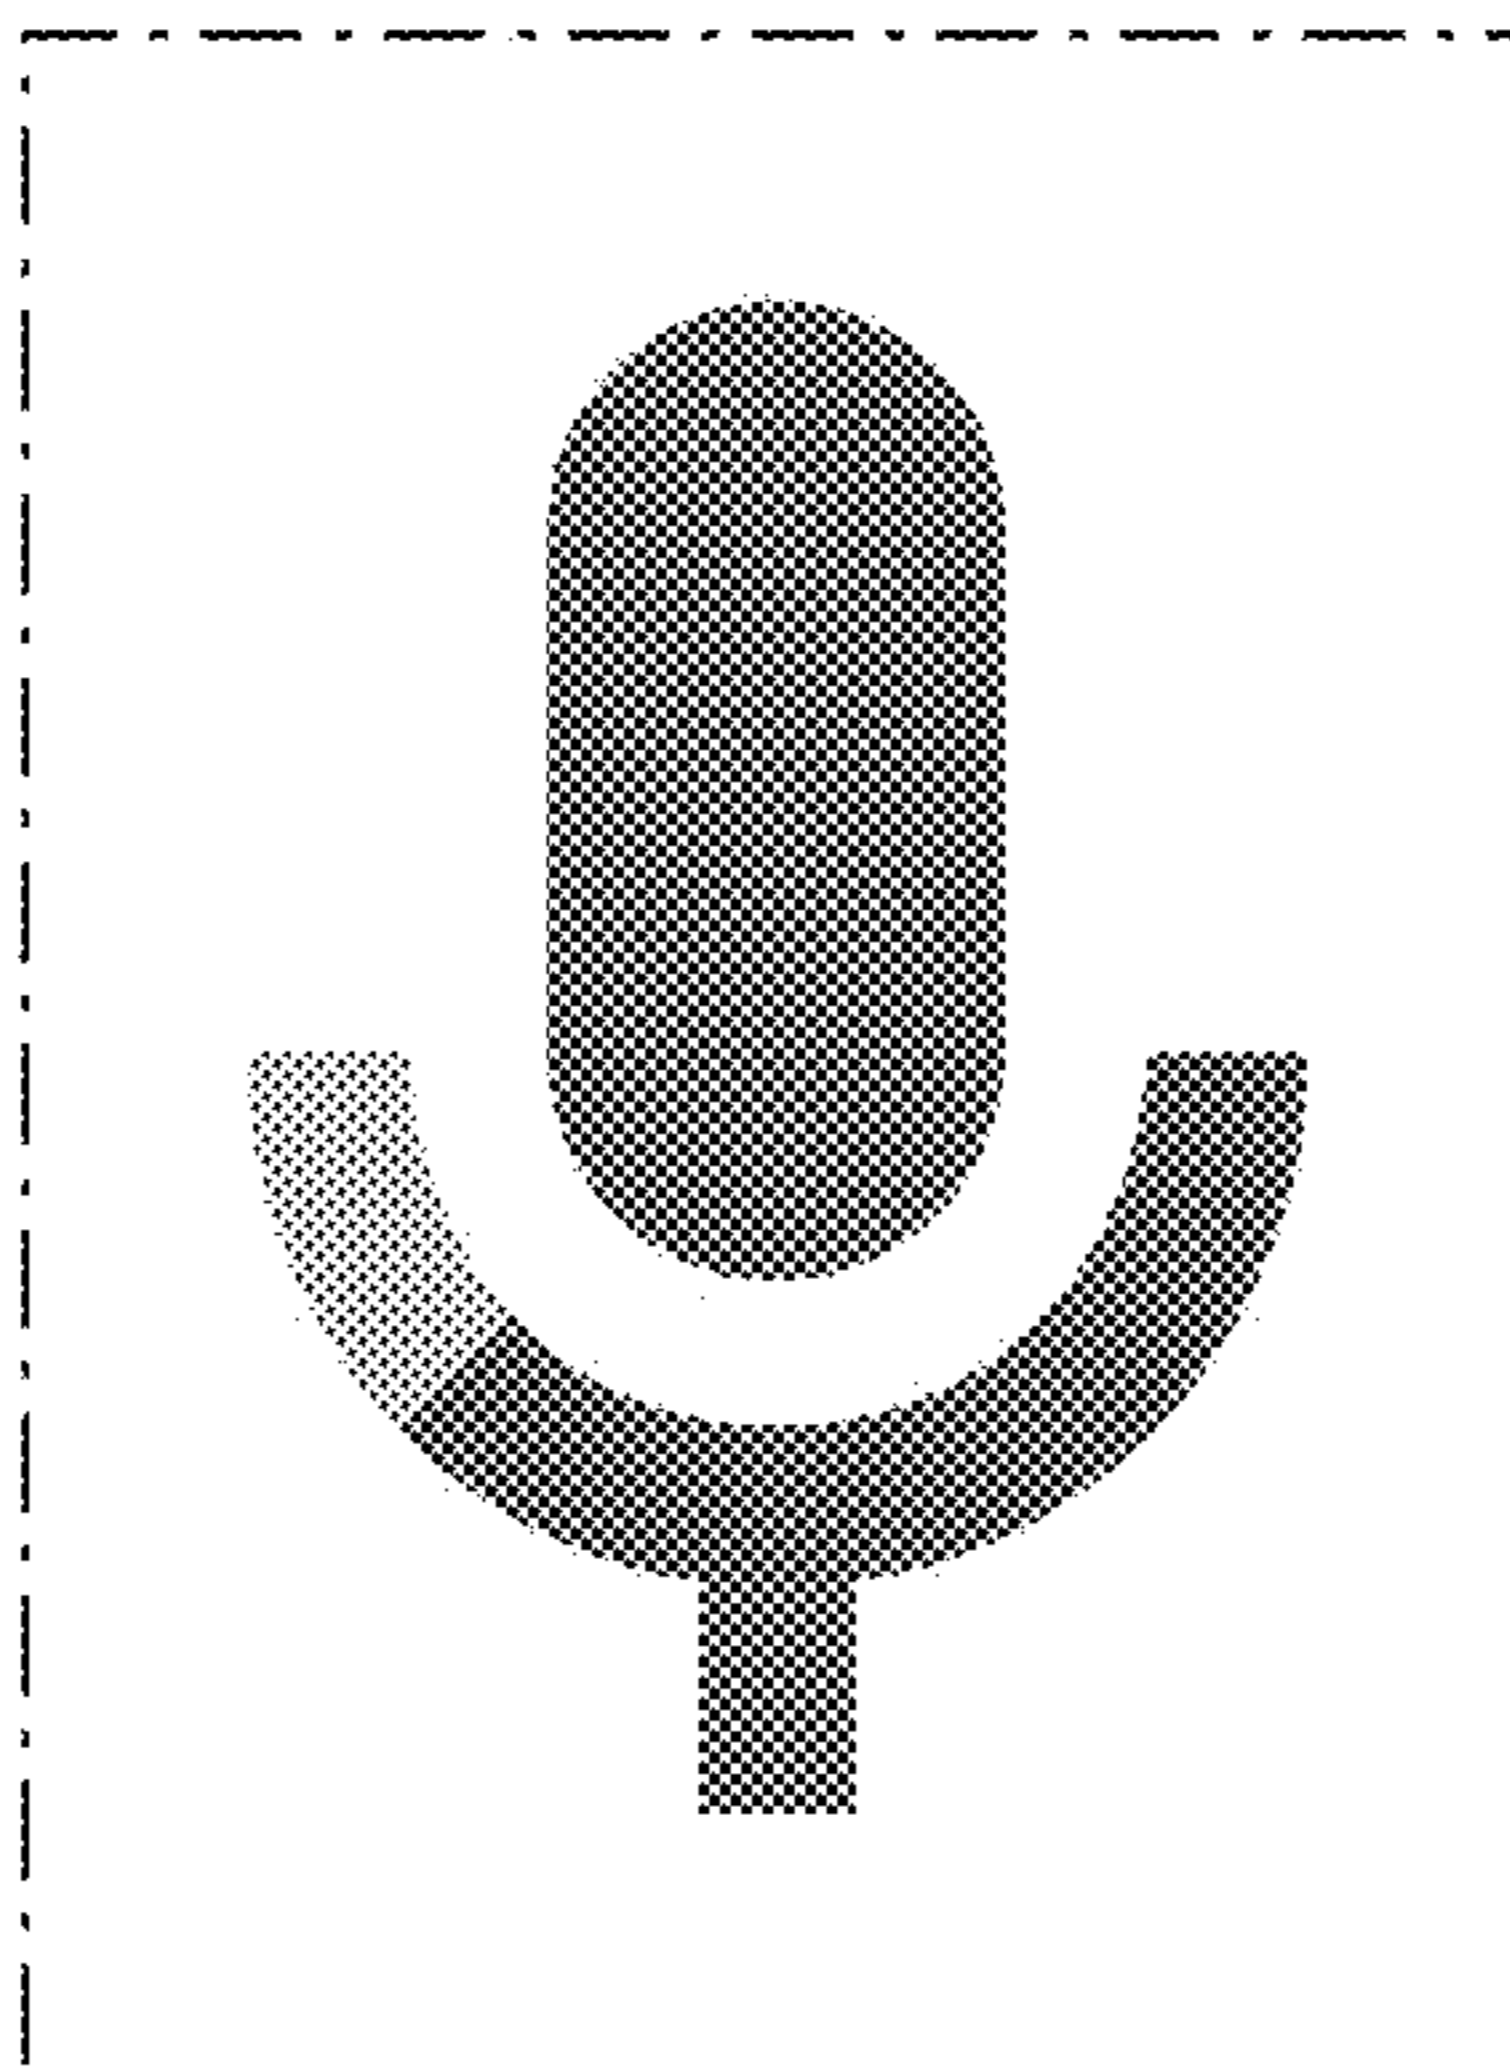

The file of this patent contains a drawing executed in color. Copies of this patent with a color drawing will be provided by the Office upon request and payment of the necessary fee. The single FIGURE is a front view of a display screen with icon, showing our new design.

In the drawing, the broken lines are included for the purpose of illustrating the display screen and form no part of the claimed design.
