(57) **CLAIM**

The ornamental design for a garment strapping system, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the first embodiment of the design.

FIG. 2 is a back elevational view of the first embodiment of the design.

FIG. 3 is a side elevational view of the first embodiment of the design.

FIG. 4 is a front elevational view of the second embodiment of the design.

FIG. 5 is a back elevational view of the second embodiment of the design.

FIG. 6 is a side elevational view of the second embodiment of the design.

FIG. 7 is a front elevational view of the third embodiment of the design.

FIG. 8 is a back elevational view of the third embodiment of the design.

FIG. 9 is a side elevational view of the third embodiment of the design.

The garment strapping system is shown with a break to indicate non-specified length. The appearance of any portion of the article between the break lines forms no part of the claimed design.

The broken lines shown in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design.
