(57) **CLAIM**

The ornamental design for a shoe upper, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a shoe upper showing my new design; and, FIG. 2 is a side view thereof. The uneven length broken lines immediately adjacent to the shaded area define the bounds of the claimed design, and form no part thereof. The even length broken lines within the shaded area represent a feature that forms no part of the claimed design. The unshaded regions within the shaded area that are demarcated by uneven length broken lines form no part of the claimed design. The uneven length broken lines showing the remainder of the shoe are for environmental purposes only and form no part of the claimed design.
