(57) **CLAIM**

I claim the ornamental design for a fabric, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

Further, a portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the reproduction of the patent document or the patent disclosure, as it appears in the U.S. Patent Office records, but reserves all other copyright rights whatsoever.

FIG. 1 is a top plan view of a first embodiment of a fabric according to my design; and,

FIG. 2 is a top plan view of a second embodiment, thereof. The broken lines surrounding the figures depict the boundaries of the claim and form no part thereof.
