(57) **CLAIM**

The ornamental design for a medicinal gyps protection guard, as shown and described.

DESCRIPTION

FIG. 1 is a photo showing a perspective view of the medicinal gyps protection guard;
FIG. 2 is a photo showing a front side of the medicinal gyps protection guard;
FIG. 3 is a photo showing a rear side of the medicinal gyps protection guard;
FIG. 4 is a photo showing a left side of the medicinal gyps protection guard;
FIG. 5 is a photo showing a right side of the medicinal gyps protection guard;
FIG. 6 is a photo showing a top side of the medicinal gyps protection guard; and,
FIG. 7 is a photo showing a bottom side of the medicinal gyps protection guard.
The medicinal gyps protection guard is used to protect and fix an operation part of a bone fracture patient.
