(57) **CLAIM**

The ornamental design for a fluid dispenser, as shown and described.

DESCRIPTION

1.1 is a front elevational view of fluid dispenser showing my new design;

1.2 is a perspective view thereof showing the fluid dispenser in an expanded position;

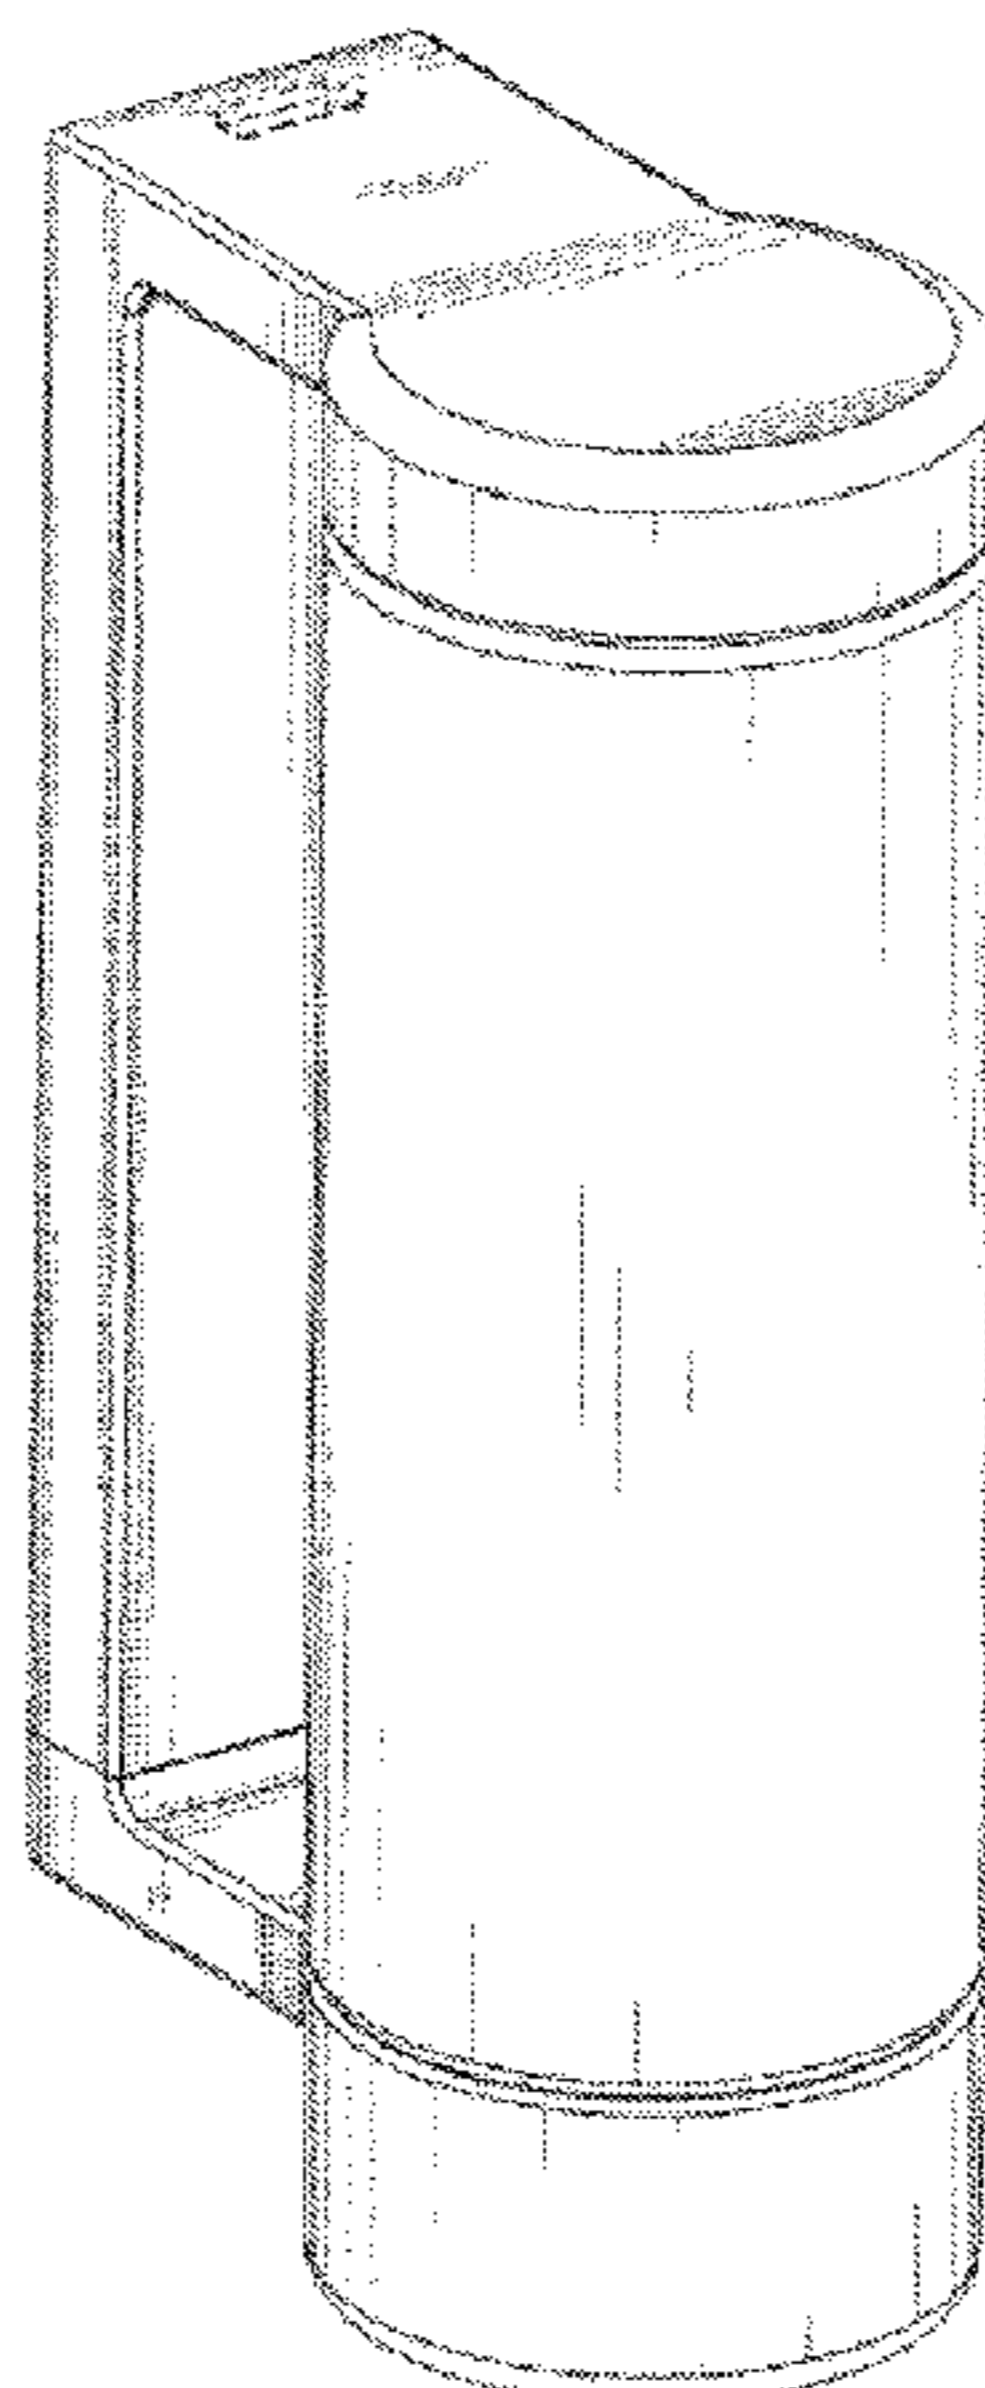

1.3 is a top view thereof;

1.4 is side elevational view thereof; and

1.5 is a perspective view thereof showing the fluid dispenser in a compressed position.

The broken lines in the reproductions and the structure shown shaded in solid black in **1.2** illustrate portions of the fluid dispenser that form no part of the claimed design.
