(57) **CLAIM**

The ornamental design for a garment, as shown and described.

**DESCRIPTION**

FIG. 1 is a front, left perspective view showing a garment according to the present design in a first in-use configuration;

FIG. 2 is a front, left perspective view showing the garment of FIG. 1 according to the present design in a second in-use configuration;

FIG. 3 is a front view showing the garment according to the present design in a third in-use configuration;

FIG. 4 is a left side view thereof;

FIG. 5 is a right side view thereof; and,

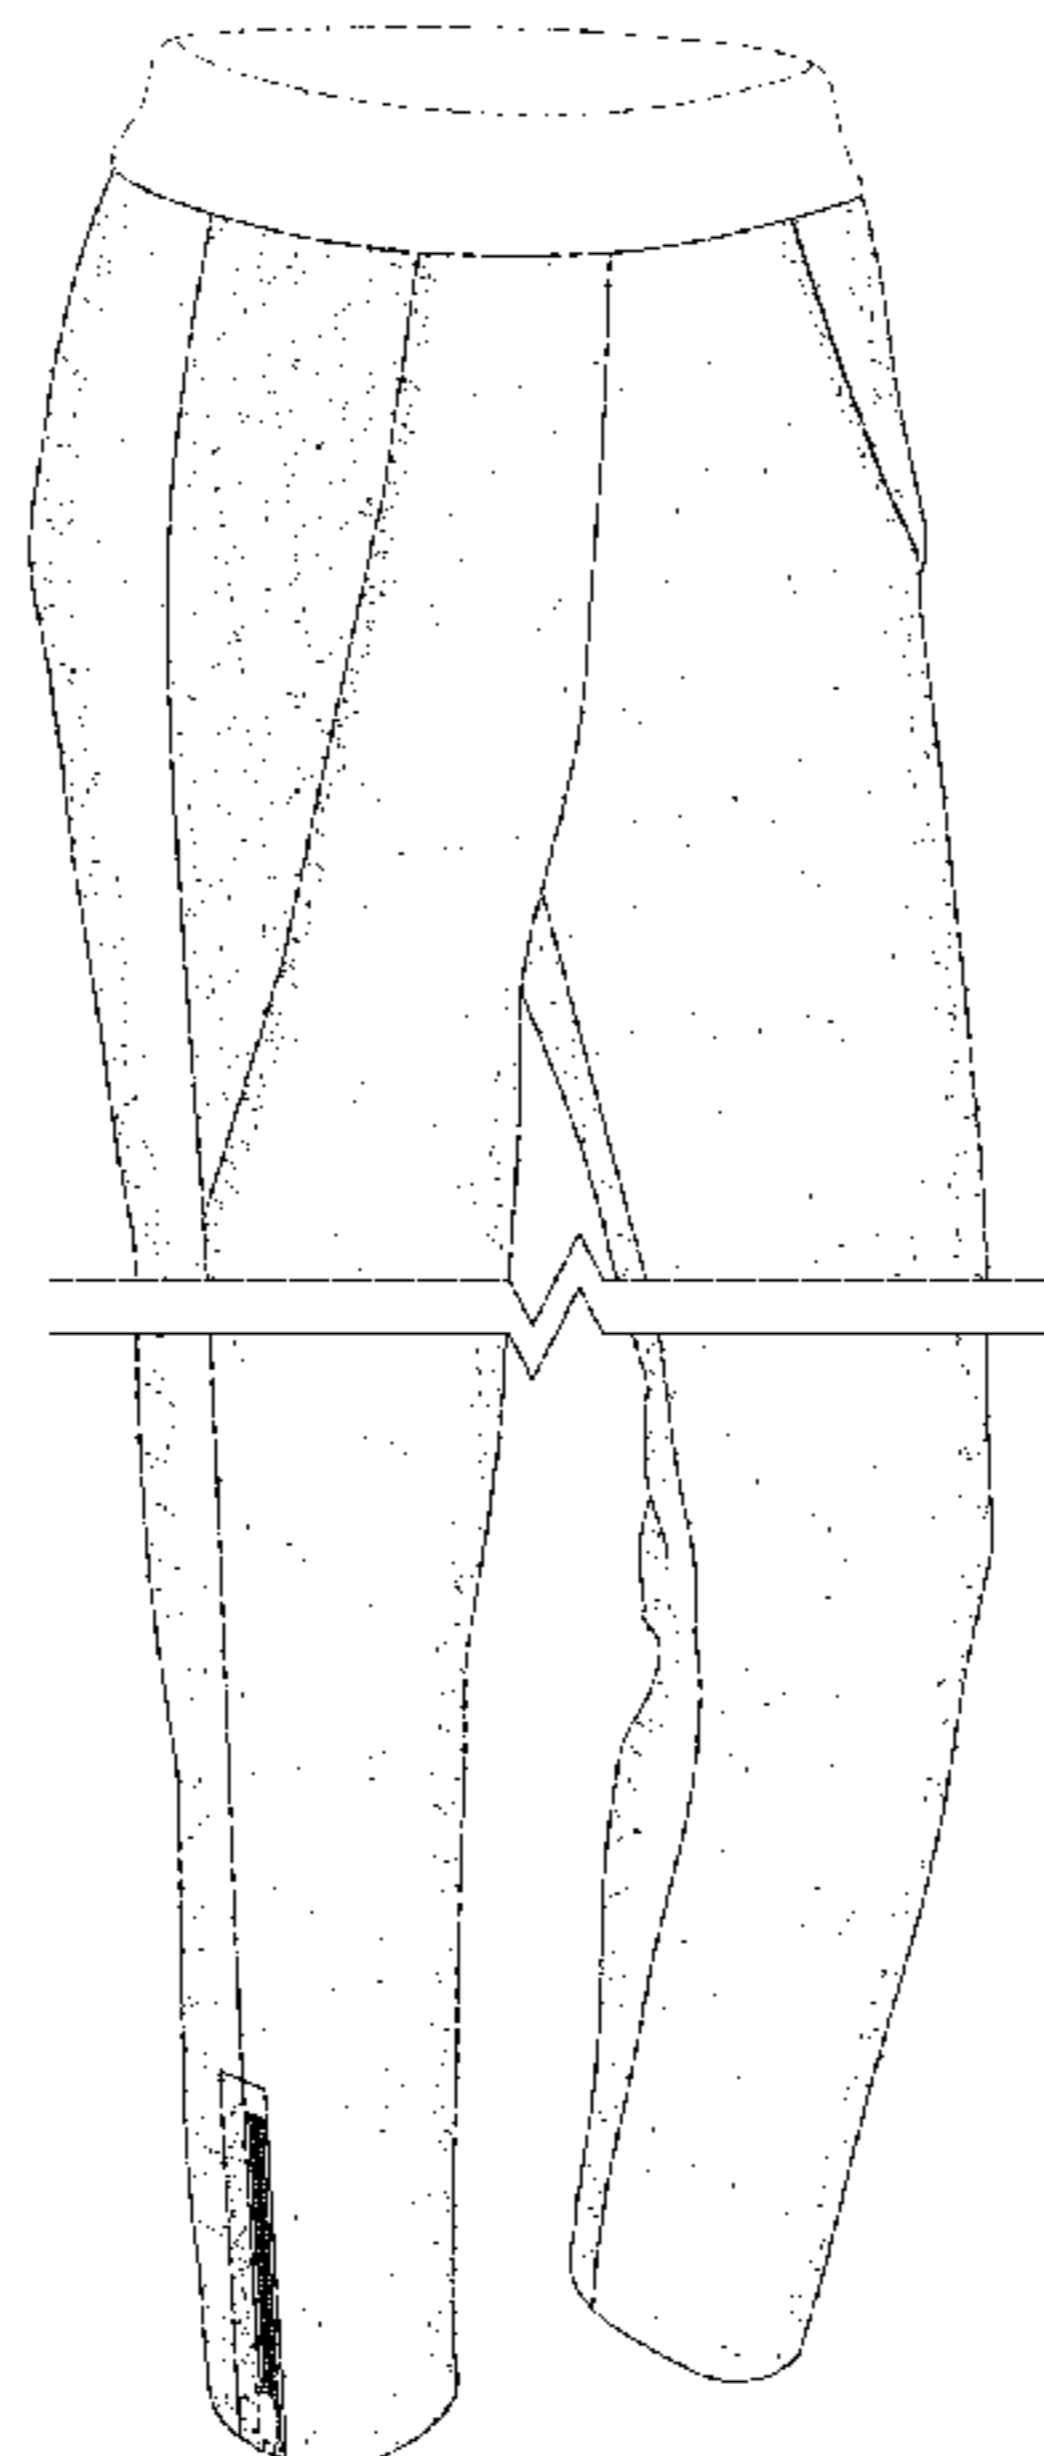

FIG. 6 is a back view thereof.

The broken lines shown in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design.

The surface shading on the claimed portion is provided only to indicate the character and/or any contour or curvature of the surfaces. It does not indicate color, texture, markings that actually exist thereon, indicia, graphic representations, surface treatment, or any other ornamentation applied to the article.

The garment is shown with a break to indicate a non-specified length. The appearance of any portion of the article between the break lines forms no part of the claimed design.
