(57) **CLAIM**

The ornamental design for a pet leash, as shown and described.

DESCRIPTION

FIG. 1 is a bottom front-left perspective view of a pet leash, showing my new design;
FIG. 2 is a top-rear plan view thereof;
FIG. 3 is a top-front plan view thereof;
FIG. 4 is a bottom-rear plan view thereof;
FIG. 5 is a bottom-front plan view thereof;
FIG. 6 is a right-rear side elevational view thereof;
FIG. 7 is a left-rear side elevational view thereof;
FIG. 8 is a front-right elevational view thereof;
FIG. 9 is a front-left elevational view thereof;
FIG. 10 is a rear elevational view thereof; and,
FIG. 11 is an elevational cross section view thereof, taken in the direction of line 11-11 of FIG. 5.
The rope portion of the pet leash is shown with symbolic break in its length indicated by dash-dot-dash break lines. The dash-dot-dash break lines and the appearance of any portion of the article between the dash-dot-dash break lines forms no part of the claimed design. In the drawings, the broken line showing a bolt snap depicts environmental subject matter only and forms no part of the claimed design.

1 Claim, 6 Drawing Sheets
