(57) **CLAIM**

The ornamental design for a portion of a display panel with a computer generated icon, as shown and described.

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the U.S. Patent and Trademark Office patent file or records, but reserves all other copyrights whatsoever.

The FIGURE is a front view of a portion of a display panel with a computer generated icon.

The broken lines showing a portion of a display panel of a communications terminal surrounding the computer generated icon is included for the purpose of illustrating environmental structure only, and thus forms no part of the claimed design.
